Columbus Truck and Equipment Center LLC - Majority

A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract

This legislation authorizes the Director of Finance and Management to enter into a contract with Esec Corporation for the purchase and delivery of one (1) diesel powered, tandem axle, semi-tractor truck chassis with a minimum G.V.W. rating of 60,000 pounds equipped with an air slide fifth wheel. The truck shall be suitable to pull a 55 cubic yard sludge transfer trailer for the Division of Sewerage and Drainage. The Diesel Powered Semi Tractor Truck will be used by the Division of Sewerage and Drainage, Compost Facility to transport raw materials from the wastewater treatment plants at Southerly and Jackson Pike to the Compost Facility location and other outlets for processing. This purchase was approved by Fleet and will be replacing BT#23518.

A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.
