Sharon Pantelis, Pinecrest Civic (MAC)

A life-long Columbus resident and a long-term eastside resident, I joined the Mid-East Area Community Collaborative (previous organization to the MAC) in 2015 to address commercial blight along the E. Livingston Ave. corridor. Upon joining the group, I found it inspiring to meet so many others in the community who had similar concerns and who were working together to create change. My counterparts in the MAC helped me to form the Pinecrest Civic Association and Block Watch, Pinecrest is located on the northwest corner of Livingston and Hamilton. Our civic association meets regularly and we work to increase the safety and well-being of our residents. We have a special interest in community beautification and we have several exciting projects in the works. My professional experience includes copy writing and graphic design for both the state and the private sector. I enjoy writing and received a Bronze Quill Award from the International Association of Business Communicators. I graduated from Franklin University with a bachelor's degree in Business Administration and Marketing. Semi-retired, I work as a substitute teacher for Bexley City Schools and operate a small rental business with my husband of 24 years. We enjoy gardening and crossword puzzles. Proud MAC Member Mideast Area Commission Task Force.
