**STAFF REPORT
DEVELOPMENT COMMISSION
ZONING MEETING
CITY OF COLUMBUS, OHIO
JANUARY 14, 2021**

- 8. APPLICATION: Z20-090**
Location: **1572 MCNAUGHTEN RD. (43232)**, being 10.54± acres located on the east side of McNaughten Road, 1,500± north of East Livingston Avenue (550-156223, 550-156222, 550-156224 & 550-155903; Far East Area Commission).
Existing Zoning: R-1, Residential District.
Request: L-ARLD, Limited Apartment Residential District (H-35).
Proposed Use: Multi-unit residential development.
Applicant(s): Metro Development, LLC; c/o Jeffrey L. Brown, Atty.; Smith and Hale, LLC; 37 West Broad Street, Suite 460; Columbus, OH 43215.
Property Owner(s): Evelyn F. Beeghley, et al; 2920 Torrey Pines Drive; Pickerington, OH 43147.
Planner: Tim Dietrich; 614-645-6665; tedietrich@columbus.gov

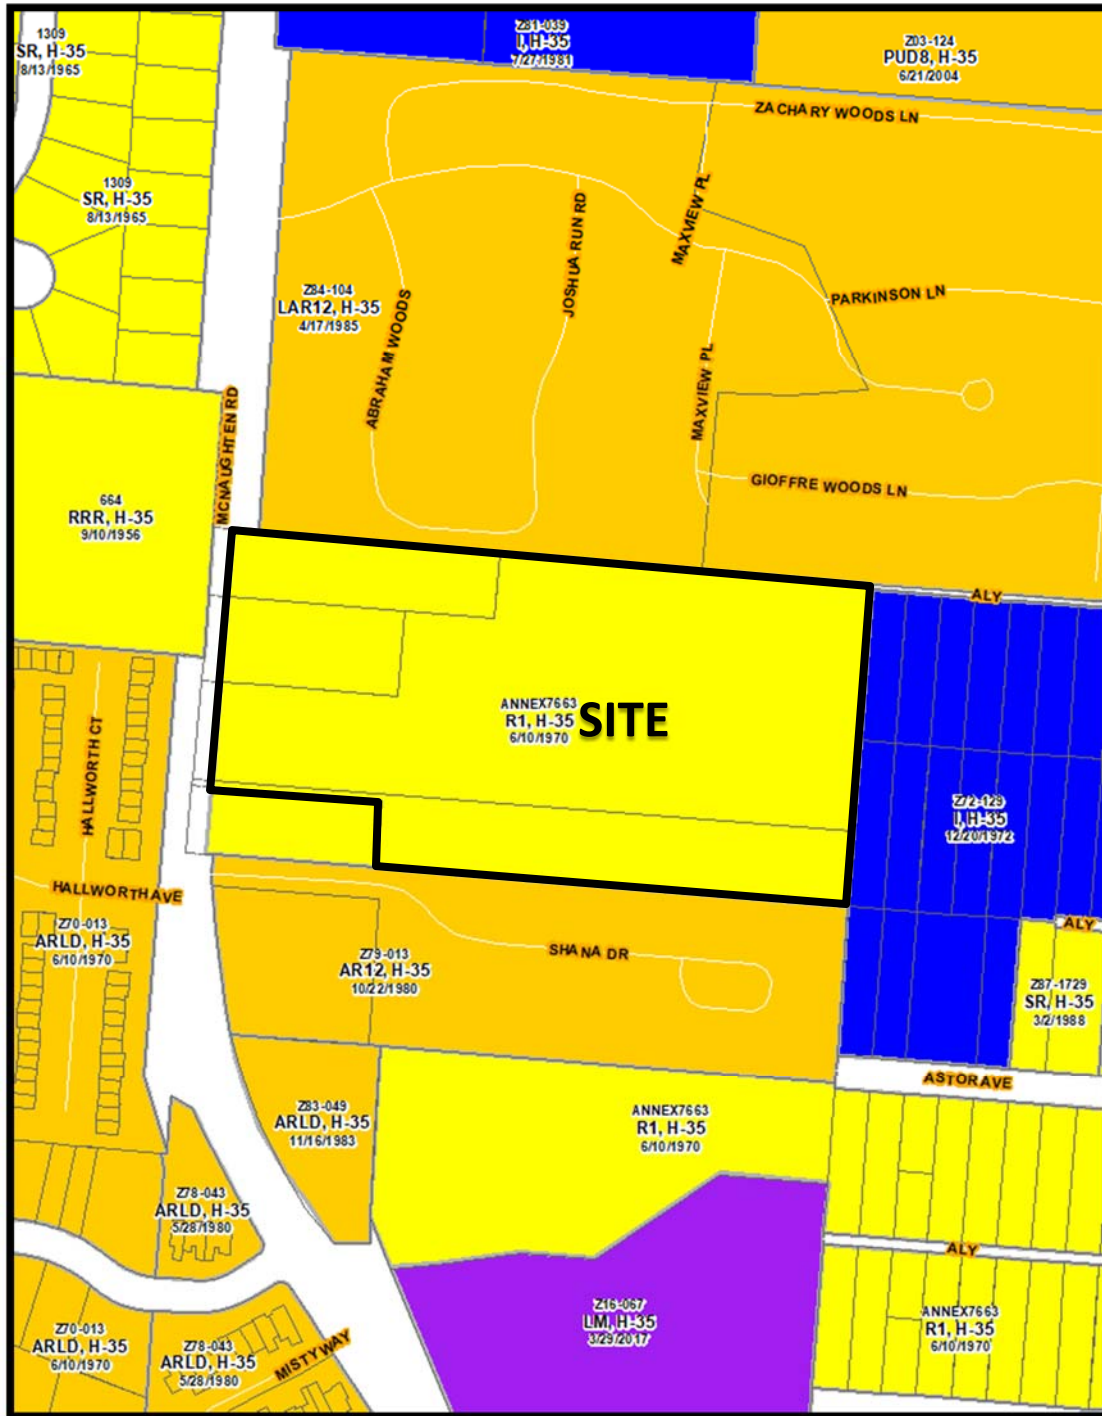

BACKGROUND:

- The 10.54± acre site consists of four parcels in the R-1, Residential District. Two parcels are developed with single-unit dwellings, and the other two parcels are undeveloped. The applicant proposes the L-ARLD, Limited Apartment Residential district to permit multi-unit residential development containing up to 160 apartment units (15.18 units per acre gross density).
- North of the site is a multi-unit residential development in the L-AR-12, Limited Apartment Residential District. South of the site is a single-unit dwelling in the R-1, Residential District and a multi-unit residential development in the AR-12, Apartment Residential District. East of the site is an electrical substation in the I, Institutional District. West of the site is undeveloped land in the RRR, Restricted Rural Residential District and a multi-unit residential development in the ARLD, Apartment Residential District.
- Concurrent CV20-104 has been filed to reduce the required building setback along McNaughten Road. That request will be heard by City Council and will not be considered at this Development Commission meeting.
- The site is within the planning boundaries of the *Far East Land Use Plan* (2018), which recommends medium density (10-16 du/acre) residential land uses at this location. The Plan incorporates complete adoption of *Columbus Citywide Planning Policies* (C2P2) Design Guidelines.
- The site is located within the boundaries of the Far East Area Commission, whose recommendation is for approval.

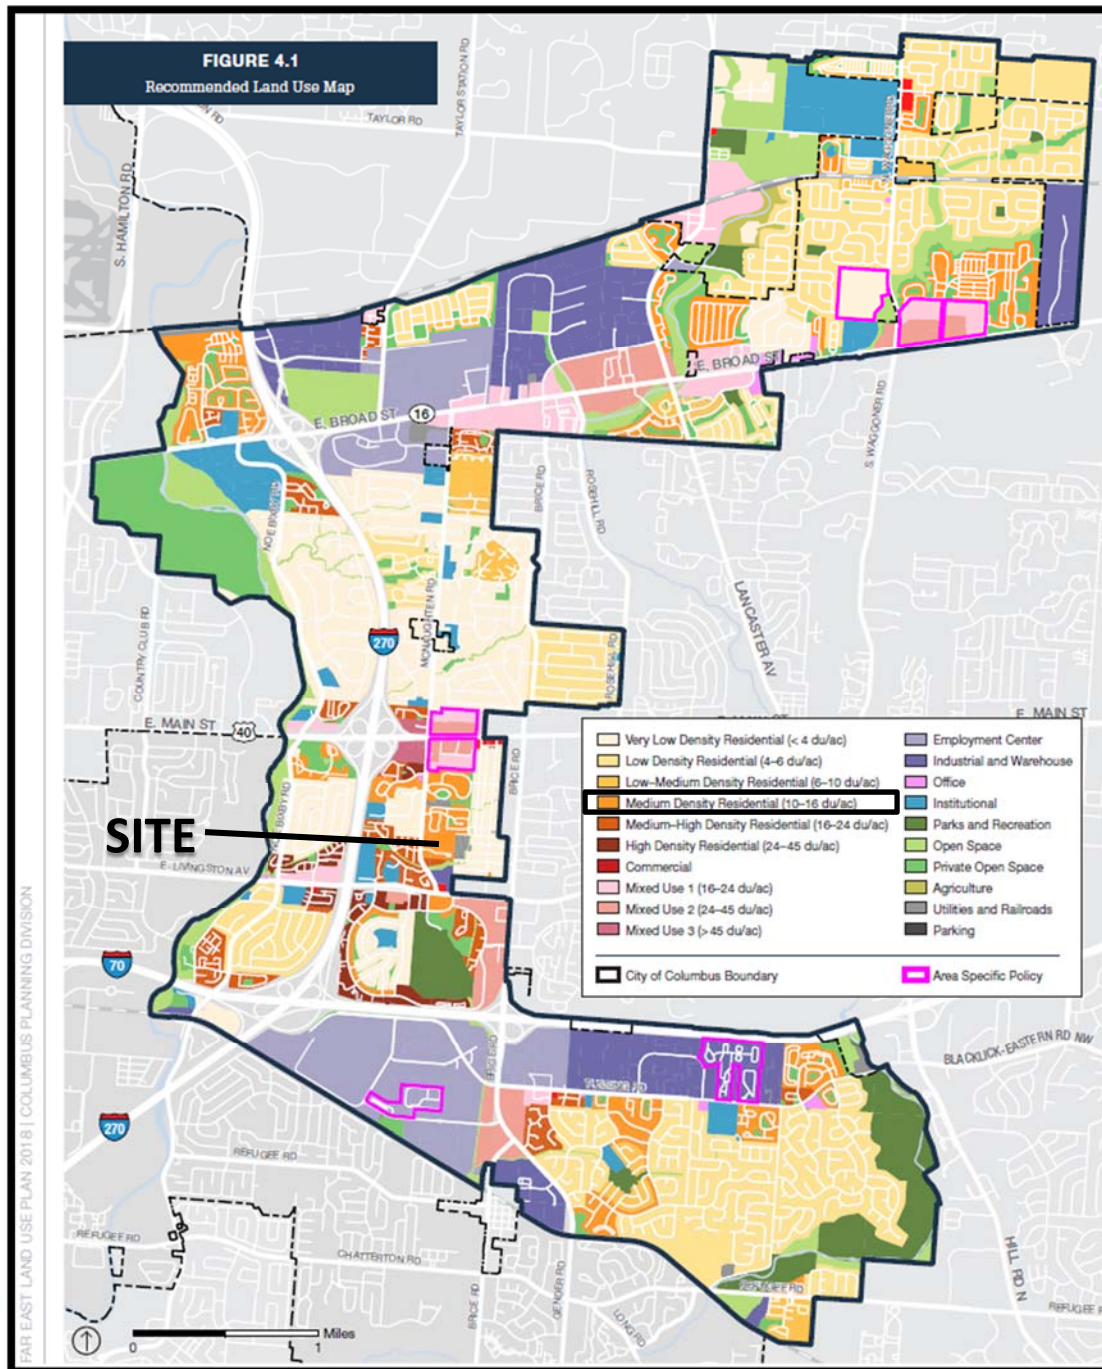

- The limitation text establishes use restrictions and supplemental development standards that address the maximum number of permitted units, traffic improvements, landscaping, tree preservation, and open space. Additionally, commitments to develop the site in accordance with the submitted site plan and building elevations have been included in the text.
- The *Columbus Multimodal Thoroughfare Plan* identifies this portion of McNaughten Road as a Suburban Community Connector requiring 100 feet of right-of-way.

CITY DEPARTMENTS' RECOMMENDATION: Approval.

The proposed L-ARLD, Limited Apartment Residential District will permit a multi-unit residential development containing up to 160 apartment units. The request is consistent with the *Far East Land Use Plan's* land use recommendation for medium density residential uses at this location. The text and site plan identifies additional screening from neighboring properties, preservation of existing site trees, and internal walking paths, all of which are consistent with C2P2 Design Guidelines. Additionally, the requested district is compatible to the existing zoning and development pattern along this section of McNaughten Road.
