## Large Diameter Valve Replacements, Part 2, CIP 690589-100001, CT 2235

## Information to be included in all Legislation authorizing entering into a Contract:

1. The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.

Name	C.C. No./Exp. Date	DAX#	City/State	<b>Status</b>
Complete General Construction	31-4366382 - 6/8/23	6056	Columbus/OH	MAJ

2. What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).

Formal, competitive bids were opened on June 9, 2021.

- 3. List the ranking and order of all bidders.
  - 1. Complete General Construction Co. \$2,434,261.50
- 4. Complete address, contact name, phone number, and e-mail address for the successful bidder only.

Complete General Construction Co.

1221 East Fifth Ave., Columbus, OH 43219

Lee A. Guzzo, COB, (614) 258-9515, lguzzo@completegeneral.com

5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.

Work consists of replacement of large diameter valves (20" through 36" diameter) and associated work including linestops, and other such work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, special provisions, and City of Columbus Construction and Material Specifications as set forth in the Invitation For Bid (IFB).

The Community Planning Area is "99 - Citywide" since work will be throughout the City of Columbus.

6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

Contract work is required to be completed in a manner acceptable to the City within 270 calendar days from the date that a Notice to Proceed (NTP) is given by the City. The City anticipates issuing a Notice to Proceed on or about September, 2021.

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

This project involves repairs to valves on critical large diameter water mains and will improve the reliability of the water distribution system. Coordination will occur with nearby customers, including businesses, prior to and during construction.

8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

The bid amount and proposed award amount is \$2,434,261.50 including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract

## ORD #1618-2021

modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.
