**BACKGROUND:** The City owns Franklin County Tax ID Parcel Nos. 010-054645 (the “NMDA Parcel”) and 010-307276 (the “Project Site”). North Market Development Authority, Inc. (“NMDA”) leases and operates a public market in a former warehouse (the “North Market”) on the NMDA Parcel. The City selected NM Developer LLC (the “Developer”) from a request for proposals to redevelop the Project Site with a now 32-story mixed use tower as well as public parking spaces, an expansion of the North Market, and a public atrium, patio, and plaza. Pursuant to Ordinance No. 1993-2019 passed July 22, 2019, the City entered into the Economic Development Agreement dated September 11, 2019 with the NMDA and the Developer (as to be amended by the First Amended and Restated Economic Development Agreement being submitted for City Council consideration of even date herewith), which contemplated the creation of a new community authority for the Project Site under Ohio Revised Code (“R.C.”) Chapter 349.

With the consent of the Developer and City Council, the City, as the property owner and statutory “developer” as defined by R.C. Section 349.01(E), submitted to the Clerk of City Council a Petition for Organization of a New Community Authority (the “Petition”) on October 28, 2022. City Council, as the organizational board of commissioners under R.C. Section 349.01(F), adopted Resolution No. 0220X-2022 on November 16, 2022 to determine the sufficiency of the Petition and set a public hearing date on the Petition, which was held November 30,

2022. R.C. Section 349.03(A) permits City Council, as the organizational board of commissioners, at any time to amend the Petition in form and substance to conform to the facts by correcting any errors in the description of the proposed new community district or in any other particular. This resolution will (among other things) (i) amend the Petition and repeal and replace the map and legal description of the new community district, attached as Exhibit A-1 and Exhibit A-2 to the Petition, with Exhibit A attached hereto to conform the new community district with the Project Site as it exists today, (ii) establish both the NM Mixed-Use New Community Authority (the “Authority”) and the Authority’s new community district to be the Project Site as depicted on Exhibit A attached hereto, as well as (iii) make the initial appointments to the Authority’s nine-member board of trustees.

**FISCAL IMPACT:** No funding is required for this legislation.

**WHEREAS**, the EDA contemplated the creation of a new community authority and new community district for the Project Site under Ohio Revised Code (“R.C.”) Chapter 349, which is to be known as the NM Mixed-Use Project New Community Authority (the “Authority”) and the NM Mixed-Use Project Community District (the “District”); and

Sections 349.01(E) and 349.03, a Petition for Organization of a New Community Authority under R.C. Chapter 349 (the “Petition”); and

**WHEREAS, the map and legal description of the District within the Petition included a portion of the former Project Site that has since been split and made into the City's right-of-way for Wall Street outside of the current Project Site, shown as the highlighted area on Exhibit A attached hereto; and**

**WHEREAS, the Petition will be amended as provided in Exhibit C attached hereto (the "Amended Petition"), and Exhibit A-1 and Exhibit A-2 of the Petition will be repealed and replaced with Exhibit A attached hereto to only include the Project Site as it exists as of the date hereof; and**

**WHEREAS, City Council has determined that: the Authority and the District, as the District is amended herein, will be conducive to the public health, safety, convenience and welfare and are intended to result in the development of a New Community, as described in R.C.
