Mayor Ginther’s vision for Columbus, America’s Opportunity City, is to create access to a high-quality pre-kindergarten education for every 4-year-old. Addressing early childhood learning means bringing awareness and resources to a critical learning stage in childhood development. Children who come to school ready to learn are more likely to succeed academically and in life.

Children who participate in high-quality pre-kindergarten experiences significantly improve their early literacy, language, and math skills. Ample evidence shows that children who enter school unprepared fall farther and farther behind. Students who get a poor start in their earliest years are likely to struggle in high school and subsequently, fail to graduate.

The purpose of Early Start Columbus is to expand high-quality pre-kindergarten services through partnerships with Columbus City Schools and community-based providers. The providers partnering in the Early Start Columbus Program have all demonstrated their ability to provide a high-quality pre-kindergarten education. All partnering providers are rated at least three stars in the State’s Step Up To Quality rating and improvement system. Providers were chosen from a competitive application process.

State law makes allowable the braiding of Ohio Department of Education Early Childhood Expansion funds with those of the Ohio Department of Jobs and Family Service Publicly Funded Childcare program. The 2023-2024 Early Start Columbus Program combines the Mayor’s Office of Education funds with these funding streams to further extend the number of children served while using City funds more efficiently. This approach uses City funds as “last dollar” funding.

**FISCAL IMPACT:** This ordinance authorizes an expenditure of \$5,931,325.00 from the 2023 Mayor’s Office of Education’s General Operating fund.

To authorize and direct the Executive Director of the Mayor’s Office of Education to enter into contracts with high-

quality pre-kindergarten organizations, selected via a competitive application process, to provide educational services; and to authorize the expenditure not to exceed \$5,931,325.00 from the General Fund; (\$5,931,325.00)

**WHEREAS**, the Executive Director of the Mayor’s Office of Education desires to enter into contracts with various high-quality pre-kindergarten organizations to provide educational services and quality pre-kindergarten services to Columbus 4-year-olds to prepare them for kindergarten; and
