Council Variance Application: CV24-034

APPLICANT: Joshua Tomey; 1282 East Fulton Street; Columbus, OH 43205.

PROPOSED USE: Six-unit apartment building.

LIVINGSTON AVENUE AREA COMMISSION RECOMMENDATION: Approval.

HISTORIC RESOURCES COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is developed with a six-unit apartment building in the R-3, Residential District. The requested Council variance will conform the existing use. A Council variance is required because the R-3 district specifies single-unit dwellings as the only allowable residential use. The request includes variances to maneuvering and parking space requirements because a parcel line crosses over some of the proposed parking spaces. The site is within the planning boundaries of the *Near Southside Plan* (2011), which recommends "Medium Density Mixed Residential" land uses at this location. Staff recognizes that while the proposal exceeds the Plan's density recommendation, it is conforming an existing use. Additionally, the site is within the Old Oaks Historic District where exterior modifications will require a Certificate of Appropriateness from the Historic Resources Commission.

To grant a Variance from the provisions of Sections 3332.035, R-3 residential district; 3312.25, Maneuvering; and 3312.29, Parking space, of the Columbus City Codes; for the property located at **613 S. CHAMPION AVE. (43205)**, to conform a six-unit apartment building with reduced development standards in the R-3, Residential District (Council Variance #CV24-034).

WHEREAS, by application #CV24-034, the owner of the property at **613 S. CHAMPION AVE. (43205)**, is requesting a Variance to conform a six-unit apartment building with reduced development standards in the R-3, Residential District; and

WHEREAS, Section 3332.035, R-3, residential district, allows only one single-unit dwelling on this property, while the applicant proposes to maintain a six-unit apartment building; and

WHEREAS, Section 3312.25, Maneuvering, requires parking spaces to have sufficient access and maneuvering area on the lot where the parking spaces are located, while the applicant proposes to maintain maneuvering to cross parcels lines, but with all provided parking spaces having the total code required maneuvering area, as shown on the submitted site plan; and

WHEREAS, Section 3312.29, Parking space, requires that a parking space shall be a rectangular area of not less than nine feet by 18 feet, while the applicant proposes to maintain parking spaces that cross parcels lines, but with the total code required length being provided on both parcels, as shown on the submitted site plan; and

WHEREAS, the Livingston Avenue Area Commission recommends approval; and

WHEREAS, the Historic Resources Commission recommends approval; and

WHEREAS, City Departments recommend approval because the proposal and will conform existing conditions, and notes that exterior modifications are subject to a Certificate of Appropriateness from the Historic Resources Commission; and

WHEREAS, said ordinance requires separate submission for all applicable permits and a Certificate of Zoning Clearance for the existing six-unit apartment building; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **613 S. CHAMPION AVE. (43205)**, in using said property as desired; now, therefore:
