This legislation authorizes the City Attorney, on behalf of Director of the Department of Technology (DoT), to enter into contract with Ice Miller LLP. DoT seeks the authority to utilize the services of the law firm of Ice Miller LLP to assist with the legal exploration of how the City owned fiber network might be utilized by broadband providers to extend and expand options for residents, and related activities. Ice Miller LLP has been solicited to provide assistance because of its experience in this area.

This ordinance also authorizes the expenditure of \$210,000.00 to compensate the special counsel for services rendered, as described above.

Finally, this ordinance authorizes the waiver of relevant portions of Columbus City Codes relating to competitive bidding. Because this law firm brings a wealth of specialized knowledge and experience with issues pertaining to local government and broadband technology, DoT is requesting that competitive bidding requirements be waived.
