Background: This legislation authorizes the Finance and Management Director, on behalf of the Division of Fleet Management, to fund the yearly services with Assetworks LLC, to continue fleet management software, hardware and related services. The Division of Fleet Management is responsible for the maintenance and upkeep of city owned vehicles and this software provides a management system to bill, manage, monitor and analyze all maintenance related data. Competitive best value proposals from qualified companies were solicited to provide all aspects of fleet management software services including, but not limited to, GPS monitoring, vendor hosting, and integration with related fuel and fluid monitoring systems. Ordinance 1649-2022 set the initial terms of this contract for the period July 1, 2022 - June 30, 2025. Funding for this term will be approved on an annual basis. After this initial period, this contract allows seven (7) annual renewal options, which may be exercised at the discretion of the City. The renewals are on a year to year basis and are subject to funds availability and approval of Columbus City Council.

Bid Information: RFQ018817 was advertised and seven (7) Best Value Procurement proposals were received on June 29, 2021.

An evaluation committee consisted of representatives from the Department of Finance and Management and the Department of Technology. Of the seven (7) vendors that submitted proposals, two (2) were selected for presentations. After presentation from the two vendors the committee presented its rankings to the Finance and Management Director. Assetworks LLC scored the highest in five of six categories. The Finance and Management Director instructed the committee to proceed with negotiations with Assetworks LLC. The results of the negotiation were successful.

It is therefore recommended that a contract be awarded to Assetworks LLC CC#460521049, Expiration 12/9/2022.

Emergency action is requested so that fleet management software services for the City's fleet of vehicles can continue uninterrupted.

Fiscal Impact: Funding was budgeted and is available in the 2023 fleet operating fund budget.

To authorize the Finance and Management Director on behalf of the Division of Fleet Management to provide funding for the contract with Assetworks LLC, for fleet management software services for the City's fleet of vehicles; to authorize the expenditure of \$1,036,676.25 from the fleet operating fund; and to declare an emergency. (\$1,036,676.25)

WHEREAS, there is a need for fleet management software services for the City's of fleet vehicles; and

WHEREAS, the terms of the contract for these services state that funding will be approved by the City on an annual basis; and

WHEREAS, the Purchasing Office advertised and solicited Best Value Procurement proposals; and
