**Background:**

This legislation authorizes an amendment to Ordinance No. 1712-2023, passed by City Council June 26, 2023, to allow a correction that authorizes the purchase of food and non-alcoholic beverages for MKSK’s work and pay reasonable contractor and subcontractor travel expenses to develop a comprehensive community plan for the Eastland area. This language was originally included in the Request for Proposal (RFP) and inadvertently omitted from the legislation. This needs to be corrected and to be reflective of the effective date of the contract.

Ordinance No. 1712-2023 authorized the Director of the Department of Neighborhoods, on behalf of the City, to enter into contract with MKSK, to serve as the lead consultant for the development of a comprehensive community plan for the Eastland area. As lead consultant, MKSK is responsible for project management, community engagement, oversight of subcontractors and plan creation.

Emergency action is requested in order to allow for the approval and reimbursement of expenses incurred since the effective date of the contract, and to honor the original intent as laid out in the RFP and prevent MKSK from experiencing financial hardship.

**Contract Compliance:** The vendor number is 028341 and contract compliance is 10/25/22-10/25/2024.

**Fiscal Impact:** No additional funding is required to modify this contract.

To amend Ordinance No. 1712-2023, passed by City Council on June 26, 2023, to authorize payment for reasonable food and non-alcoholic beverages expenses and reasonable contractor and subcontractor travel expenses for the development of the Eastland comprehensive community plan for the Eastland area, managed by MKSK; and to declare an emergency. (\$0.00)

**WHEREAS,** Ordinance No. 1712-2023 passed by City Council on June 26, 2023, authorized the Director of the

Department of Neighborhoods to enter into a professional services contract with MKSK to develop a comprehensive community plan for the Eastland area.; and

**WHEREAS**, the original intent as laid out in the RFP released March 3, 2023 included language that required the vendors to account for all costs that would be incurred as part of implementing the Scope of Work including, but not limited to food for outreach meetings, and travel expenses; and

**WHEREAS**, it was recently discovered that the legislation did not clearly state that food and non-alcoholic beverages and reasonable contractor and subcontractor travel expenses would be an allowable expense by MKSK; and

**WHEREAS**, the Director of the Department of Neighborhoods requests that Ordinance 1712-2023 be amended in order to correct the inadvertent omission of those items; and

**WHEREAS**, an emergency exists in the usual daily operation of the Department of Neighborhoods in that it is immediately necessary to amend Ordinance 1712-2023, passed by Columbus City Council on June 26, 2023, in order to reimburse for the approved expenses incurred since the date of the agreement, to prevent MKSK from experiencing financial hardship and honor the original intent as laid out in the RFP, all for the immediate preservation of the public health, peace, property, safety and welfare; and **NOW, THEREFORE**,
