This ordinance authorizes the Director of the Department of Technology (DoT) to enter into contract with Brown Enterprise Solutions, LLC, for the purchase of Trellix (f.k.a. McAfee) Software Support. The Department of Technology uses Trellix software to protect city computer systems against malicious software such as computer viruses, worms, Trojan horses, ransomware, and spyware.

DoT solicited quotes via RFQ024687 for the purchase of Trellix Software Support. For purposes of evaluating and determining the lowest responsive bid, and in accordance with the Office of Diversity and Inclusion Minority and Women-Owned Business Enterprise & Small Local Business Enterprise Program Manual, a bid discount of 5% was applied to bids where the prime contractor is a minority or woman-owned business or a minority or woman-owned joint venture certified with the Office of Diversity and Inclusion in the relevant work classification. Four responses were received as follows:

<u>BIDDER</u>	<u>BID</u>	<u>DISCOUNT</u>	<u>PRICE</u>
Brown Enterprise	\$338,000.00	\$16,900.00	\$321,100.00
Axelliant LLC	\$334,400.00	\$0.00	\$334,400.00
Vprime	\$342,960.00	\$0.00	\$342,960.00
CDW	\$344,000.00	\$0.00	\$344,000.00

The Department of Technology has reviewed the responses received and is recommending that award be made to Brown Enterprise Solutions having submitted the lowest, responsive bid, after discount.

The term of the above-described contract will be for one year, beginning on July 7, 2023 and ending on July 6, 2024, at a

total cost of \$338,000.00. The terms of the contract allow for four additional annual renewals with mutual agreement of interested parties.

This ordinance also authorizes the expenditure of \$338,000.00 for above-described purpose.

**EMERGENCY**

Emergency action is requested as the current contract expires on July 6, 2023. Failure to have a contract in place when the current contract expires would make the city vulnerable to various computer viruses and related issues.
