**WHEREAS**, every sixty-five seconds an individual develops Alzheimer's disease and it is the most expensive disease in America, costing the nation \$355 billion this year; and

**WHEREAS**, June 2021 is Alzheimer's and Brain Awareness Month, recognizing a disease that affects more than 6 million Americans and 220,000 Ohioans; and

**WHEREAS**, as a degenerative disease, Alzheimer's is thought to begin 20 years before symptoms arise; and

**WHEREAS**, recognizing these events provide an opportunity to promote and join the global conversation about the brain and Alzheimer's disease as a public health crisis; and

**WHEREAS**, we recognize the important role the Alzheimer's Association, Central Ohio Chapter plays in meeting the needs of people affected by Alzheimer's disease and other forms of dementia through family and clinical support, early detection and diagnosis of disease education, advocacy and research; now, therefore
