### BACKGROUND

This legislation authorizes the Director of the Department of Development to renew a contract with We Haul Junk for an additional year to provide for maintenance of properties held by the Land Redevelopment Division's Land Reutilization Program.

Original contract amount	\$ 30,000.00	PO310902
Renewal No. 1 amount	<u>\$ 30,000.00</u>	
Total contract amount	\$ 60,000.00	

The purpose of the property maintenance program is to provide services such as trash and debris removal from structures, cleaning and abatement of vacant lots, boarding structures, graffiti removal, tree services, and similar work for properties held by the Land Reutilization Program.

The Department of Development advertised RFQ020243 on Vendor Services in November 2021 for the property maintenance program. Thirteen bids were received and the Director of Development entered into contract with ten bidders under the authority of Columbus City Code Section 329.19. The original agreement contract period commenced from the date of approval of the purchase order to February 28, 2023, with an option to renew one additional year, through February 28, 2024. Advertising for services annually would interrupt the program and possibly result a delay in providing these services. The fee for services in the contract renewal will be the same as that of the original contract.

Emergency action is requested in order to continue to provide services without interruption.

**FISCAL IMPACT:** Funding will be available in fund 2206, Land Management Fund, contingent on the passage of Ordinance 3404-2022.

**CONTRACT COMPLIANCE:** the vendor number is 039243 and expires 8/10/2023.

To authorize the Director of Development to renew a contract with We Haul Junk for maintenance of properties held by the Land Redevelopment Division's Land Reutilization Program up to \$30,000.00; and to authorize the expenditure of up to \$30,000.00 from the Land Management Fund; and to declare an emergency (\$30,000.00).

**WHEREAS**, the Department of Development advertised RFQ020243 on Vendor Services in November 2021 for the property maintenance program, thirteen bids were received and the Director of Development entered into contract with ten bidders under the authority of Columbus City Code Section 329.19; and

**WHEREAS**, the Director of Development has identified the need to modify a contract We Haul Junk in an amount up to \$30,000.00 for services provided to the property maintenance program; and

**WHEREAS**, an emergency exists in the usual daily operation of the Department of Development in that this contract renewal and modification should be authorized immediately to continue program services without interruption, thereby preserving the public health, peace, property, safety and welfare; **NOW, THEREFORE**
