BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into an agreement with the Greater Columbus Arts Council to carry out an Artist Market Survey to determine the size of the market for an affordable live/work project.

A previous report by GCAC determined that Columbus is a strong candidate for an Artspace live/work project. The affordable live/work project would be located either downtown or in an inner-city neighborhood. This legislation also authorizes the appropriation of \$31,000 and the expenditure of \$31,000 from the Jobs Growth Fund for this purpose.

Emergency action is necessary to allow the Artist Market Survey to be implemented and completed in a timely manner.

FISCAL IMPACT: Funding for this contract will consist of \$31,000 from the Jobs Growth Fund.

To authorize the appropriation of \$31,000 within the Jobs Growth Fund to the Development Department; to authorize the Director of the Department of Development to enter into an agreement with the Greater Columbus Arts Council; to authorize the expenditure of \$31,000 from the Jobs Growth Fund; and to declare an emergency.
