Background:

This ordinance will enable the Director of Recreation and Parks to accept a grant from and enter into an agreement with the Ohio Department of Natural Resources Division of Watercraft, and appropriate said funds to the Recreation and Parks Grant Fund. Grant funding in the amount of \$24,070.00 will be used to replace four (4) sailboats and personal flotation devices, and training for six (6) staff members over the next two years for various boating education programs for little or no cost to the general public.

The grant requires a 25% match which will be met with staff salaries.

Emergency action is requested to allow funding to be available for summer programming.

Fiscal Impact:

\$24,070.00 in grant funding will be used exclusively to provide replacement equipment and staff training for various boating education programs.

The fiscal impact of this ordinance will be to reduce the Recreation and Parks Grant Fund's unappropriated balance by \$24,070.00.

To authorize and direct the Director of Recreation and Parks to accept a grant in the amount of \$24,070.00 and enter into an agreement with the Ohio Department of Natural Resources Division of Watercraft, to authorize an appropriation of \$24,070.00 from the unappropriated balance to the Recreation and Parks Grant Fund, and to declare an emergency.
