BACKGROUND: For the option to purchase Ready Mix Concrete, FCDF, and Related Materials for the Department of Public Utilities, Division of Power and Water (Water), the largest user, and other city agencies. The term of the proposed option contracts would be through April 30, 2011 with the option to extend one additional year, subject to mutual agreement by both parties, in accordance with formal bid SA002773. The Purchasing Office opened formal bids on February 07, 2008.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA002773). Thirteen bids were solicited (MAJ: 10, FBE: 1; MBE: 2); Two (MAJ: 2) bids were received.

These companies are not debarred according to the Excluded Parties listing of the Federal Government and are not listed in the Auditor of States database for Findings for Recovery.

The Purchasing Office is recommending award of 2 contracts to the lowest, responsive, responsible and best bidders:

Anderson Concrete Corporation., MAJ, CC#314356835-, exp. 2/28/2010
Greensboro Corporation, MAJ, CC#311319258, exp. 4/29/09
Total Estimated Annual Expenditure: \$250,000.00

This ordinance is being submitted as an emergency because, without emergency action, no less than 37 days will be added to this procurement cycle and the efficient delivery of valuable public services will be slowed.

FISCAL IMPACT: Funding to establish these option contracts is budgeted in the Purchasing Contract Account. The Department of Public Utilities and other city departments will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

To authorize and direct the Finance & Management Director to enter into two contracts for the option to purchase Ready Mix Concrete, FCDF, and Related Materials with Anderson Concrete Corporation and Greensboro Corporation, to authorize the appropriation and expenditure of two dollars to establish the contract from the Purchasing UTC Fund, and to declare an emergency. (\$2.00).

WHEREAS, the Purchasing Office advertised and solicited formal bids on February 7, 2008 and selected the lowest, responsive, responsible and best bids; and

WHEREAS, this ordinance addresses the Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for the Department of Public Utilities and various city departments to efficiently maintain their supply chain and service to the public; and

WHEREAS, in order to ensure Ready Mix Concrete, FCDF, and Related Materials are supplied without interruption to new and existing city roadway maintenance projects, this is being submitted for consideration as an emergency measure; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Utilities/Division of Power and Water (Water) in that it is immediately necessary to enter into contracts for an option to purchase Ready Mix Concrete, FCDF, and Related Materials thereby preserving the public health, peace, property, safety, and welfare; now, therefore,
