Council Variance Application: CV06-043

APPLICANT: Reserve at Preston Woods LLC; c/o Jill S. Tangeman and Sarah Herbert, Attys.; 52 East Gay Street; Columbus, OH 43215.

PROPOSED USE: Multi-family residential development.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The subject site is zoned L-AR-12, Limited Apartment Residential District, and is currently being developed with two multi-family residential developments known as The Village at Preston Woods (parcel number 010-277764) and The Reserve at Preston Woods (parcel number 010-242651). The applicant is requesting a Council variance to obtain lot split approval that will allow the shared clubhouse facility and each of the multi-family residential developments to be on their own parcels for financing purposes. As a result of the split, technical variances for density, fronting, perimeter yard, access, aisle width, and parking are needed. This Council variance is necessary because clubhouse facilities must be on the same

parcel as the multi-family residential developments in which they serve. No actual increase in density and no new construction are proposed with this request. The approved Zoning Clearance plan for this development will essentially remain the same; it is simply being sub-divided because each multi-family residential development is financed through a different lender.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1, Apartment residential district use; 3309.148, Area district; 3333.16, Fronting; 3333.255, Perimeter yard; 3333.30, Private access and parking requirements; 3342.06, Aisle; 3342.15, Maneuvering; and 3342.28, Minimum number of parking space required of the Columbus City Codes, for the property located at **5135 WARNER ROAD (43081)**, to permit a lot split that will allow a shared clubhouse facility and two multi-family residential developments to be on their own parcels with reduced development standards in the L-AR-12, Limited Apartment Residential District (Council Variance # CV06-043).

WHEREAS, by application #CV06-043, the owner of property at **5135 WARNER ROAD (43081)**, is requesting a Variance to permit a lot split that will allow a clubhouse facility and two multi-family residential developments to be on their own parcels in the L-AR-12, Limited Apartment Residential District; and

WHEREAS, Section 3333.02, AR-12, ARLD and AR-1, Apartment residential district use, requires that accessory uses such as clubhouse facilities for multi-family residential developments be on the same parcel as the development for which they serve, while the applicant proposes a clubhouse facility and two multi-family residential developments to be on their own parcels in the L-AR-12, Limited Apartment Residential District; and

WHEREAS, Section 3309.148, Area district, allows a maximum density of one unit per 3,600 square feet, or 12.1 units/acre, while the applicant proposes a density of 12.9 units/acre for The Reserve at Preston Woods parcel as a result of the lot split; and

WHEREAS, Section 3333.16, Fronting, requires that principal buildings shall front upon a public street, while the applicant proposes no frontage on a public street for The Village at Preston Woods parcel as a result of the lot split; and

WHEREAS, Section 3333.255, Perimeter yard, requires a twenty-five (25) foot perimeter yard, while the applicant proposes reduced perimeter yards as a result of the lot split as shown on the submitted site plan; and

WHEREAS, Section 3333.30, Private access and parking requirements, requires that for each principal use, provision shall be made for private access and off-street parking facilities as required by Chapter 3342, while the applicant proposes off-site access through the clubhouse parcel for the multi-family residential developments, and the disbursement of required parking spaces as a result of the lot split; and

WHEREAS, Section 3342.06, Aisle, requires a minimum of twenty (20) foot wide aisles for ninety (90) degree parking, while the applicant proposes reduced aisle widths as a result of the lot split as shown on the submitted site plan; and

WHEREAS, Section 3342.15, Maneuvering, requires that sufficient maneuvering area be provided for each parking space, while the applicant proposes reduced maneuvering area, and to permit maneuvering on the adjacent parcels as a result of the lot split; and

WHEREAS, Section 3342.28, Minimum number of parking spaces required, requires two (2) parking spaces per residential unit, and one (1) parking space for each thirty (30) feet of gross floor area for a clubhouse facility as a principal use on its own parcel, while the applicant proposes a total of one-hundred fifty-five (155) parking spaces for one-hundred thirty-six (136) multi-family units on The Reserve at Preston Woods parcel, and eight (8) parking spaces for a 3,889 square-foot clubhouse facility, a technical reduction of two-hundred thirty-nine (239) required spaces. It should be noted that The Village at Preston Woods Parcel is providing an additional one-hundred ten (110) surface parking spaces above code requirements, and that clubhouse facilities provided on the same parcel as a multi-family residential development are not charged additional parking spaces. The total amount of parking spaces required for the two multi-family residential developments and the clubhouse facility if they were all on the same parcel is four-hundred twenty-four (424) spaces, and four-hundred twenty-five (425) spaces are provided; and

WHEREAS, City Departments recommend approval because the requested Council variance will permit a lot split that will allow the shared clubhouse facility and each of the multi-family residential developments to be on their own parcels for financing purposes. As a result of the split, technical variances for density, fronting, perimeter yard, access, aisle width, and parking are needed. This Council variance is necessary because clubhouse facilities must be on the same parcel as the multi-family residential developments in which they serve. No actual increase in density and no new construction are proposed with this request. The approved Zoning Clearance plan for this development will essentially remain the same; it is simply being sub-divided because each multi-family residential

development is financed through a different lender; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Zoning Clearance for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **5135 WARNER ROAD (43081)**, in using said property as desired and; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That a variance be granted from the provisions of Sections 3333.02, AR-12, ARLD and AR-1, Apartment residential district use; 3309.148, Area district; 3333.16, Fronting; 3333.255, Perimeter yard; 3333.30, Private access and parking requirements; 3342.06, Aisle; 3342.15, Maneuvering; and 3342.28, Minimum number of parking space required of the Columbus City Codes for the property located at **5135 WARNER ROAD (43081)**, insofar as said sections prohibit a lot split of a clubhouse facility from a multi-family residential development, with increased density for The Reserve at Preston Woods parcel, no fronting for the Village of Preston Woods parcel, reduced perimeter yard, no private access for either of the multi-family residential developments, reduced aisle width, reduced maneuvering area, and a parking space reduction of one-hundred twenty-one required parking spaces; said property being more particularly described as follows:

5135 WARNER ROAD (43081), being 24.65± acres located on the south side of Warner Road 650± feet east of North Hamilton Road, and being more particularly described as follows:

SECTION 2. That this ordinance is conditioned on and shall remain in effect only for so long as said property is used for a clubhouse facility that serves The Village at Preston Woods and The Reserve at Prestn Woods multi-family residential developments, or those uses permitted in the AR-12, Apartment Residential District.

SECTION 3. That this ordinance is further conditioned on the Subject Site being developed in general conformance with the site plan titled "**1.776, 10.492, & 12.393 ACRES**," drawn by Civil and Environmental Consultants, Inc., dated February 21, 2007, and signed by Jerry A. Malott, Professional Surveyor. The Site Plan may be slightly adjusted to reflect engineering, topographical, or other site data developed at the time of the development and when engineering and architectural drawings are completed. Any slight adjustments to the Site Plans shall be subject to review and approval by the Director of the Department of Development, or his designee, upon submission of the appropriate data regarding the proposed adjustment.

SECTION 4. That this ordinance is further conditioned upon the applicant recording any subsequent lot split approval granted by the City of Columbus with the Franklin County Recorder's Office within one year of issuance.

SECTION 5. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.
