Background:

Since 2003, millions of ash trees have been killed by the Emerald Ash Borer (EAB), a devastating invasive insect, which claims the life of otherwise healthy, mature ash trees in as little as one year. These funds will aid in response and recovery of the urban forests from the EAB infestation. Removing hazardous and soon-to-be hazardous trees from public streets and restoring lost tree canopy cover are the primary objectives of this grant program.

Emergency action is requested to ensure the grant application can be submitted by the deadline.

WHEREAS, the Ohio Department of Natural Resources Division of Forestry is accepting applications for grant funding to address the Emerald Ash Borer infestation in Franklin County; and

WHEREAS, the Recreation and Parks Department wishes to apply for said grant for the removal and replacement of infested trees; and

WHEREAS, an emergency exists in the usual daily operation of the Recreation and Parks Department in that it is immediately necessary to submit said grant application for the preservation of public health, peace, property and safety; **NOW, THEREFORE**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Recreation and Parks be and he is hereby authorized and directed to submit a grant application to the Ohio Department of Natural Resources Division of Forestry for the Emerald Ash Borer Program.

SECTION 2. That this ordinance authorizes an application only and is not a commitment to expend City funds.
