**Council Variance Application: CV07-024**

**APPLICANT:** Cup o' Joe; c/o David L. Hodge, Atty.; 37 West Broad Street, Suite 725; Columbus, Ohio 43215.

**PROPOSED USE:** Restaurant.

**GERMAN VILLAGE COMMISSION RECOMMENDATION:** Approval.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The requested Council variance will permit an expansion to an existing restaurant and will allow two (2) existing second-story residential units to remain in the R-2F, Residential District. A restaurant is not a permitted use in the R-2F, Residential District, which allows only residential uses. The site has been historically used for retail and restaurant uses. Ordinance #2367-91, passed November 25, 1991 (CV91-0062) granted a variance to reinstate abandoned retail commercial uses in the existing building, and allowed an expansion into a garage bay area and an addition to the

building. The applicant currently operates a 1,512 square foot coffee shop on the southern portion of the site as approved by Ordinance #563-93, passed March 29, 1993 (CV93-007) which permitted the change of use from retail use to restaurant use for a coffee/dessert shop. The proposal is to expand north into a 1,572 square foot vacant retail space and provide a 728 square foot outside seating area within the boundaries of the existing nonconforming parking lot. The expansion would require a total of twenty-three (23) parking spaces. Since ten (10) of these parking spaces are for the outside seating area, solely a seasonal use, the parking impact is minimized. The applicant proposes zero (0) parking spaces. Approval of this request will not add a new or incompatible use to the area.

To grant a Variance from the provisions of Sections 3332.037, R-2F, Residential district; and 3342.28, Minimum number of parking spaces required; of the Columbus City Codes, for the property located at **625-627 SOUTH THIRD STREET (43206)**, to permit a restaurant and two (2) second-story dwelling units with reduced parking in the R-2F, Residential District and to repeal Ordinances #2367-91, passed November 25, 1991, and #563-93 passed March 29, 1993 (Council Variance # CV07-024).

**WHEREAS**, by application No. CV07-024, the owner of property at **625-627 SOUTH THIRD STREET (43206)**, is requesting a Council Variance to permit a restaurant and two (2) second-story dwelling units with reduced required parking spaces in the R-2F, Residential District; and

**WHEREAS**, Section 3332.037, R-2F, Residential District, prohibits a restaurant with two (2) second-story dwelling units, while the applicant proposes to expand the existing 1,512 **square foot** restaurant into a vacant retail space and parking lot, and maintain the two second-story apartment units; and

**WHEREAS**, Section 3342.28, Minimum number of parking spaces required, requires a total of twenty-three (23) parking spaces for the residential units and the existing and expanded area of the restaurant, while the applicant proposes zero (0) off-street parking spaces; and

**WHEREAS**, the German Village Commission recommends approval; and

**WHEREAS**, City Departments recommend approval because this request will not add a new or incompatible use to the area and the site has been historically used for retail and restaurant uses. The requested Council variance will permit an expansion to an existing restaurant and will allow two (2) existing second-story residential units to remain in the R-2F, Residential District. The existing 1,512 square foot restaurant will be expanded north into a 1,572 square foot vacant retail space and provide a 728 square foot outside seating area within the boundaries of the existing nonconforming parking lot. The expansion would require a total of twenty-three (23) parking spaces. The applicant proposes zero (0) parking spaces, and since ten (10) of these parking spaces are for the outside seating area, solely a seasonal use, the parking impact is minimized; and

**WHEREAS**, the Applicant has been advised by Staff to include variances for the R-2F, Residential District yard and area standards to address the site's existing nonconforming conditions while the Applicant has acknowledged the existing nonconformity to the R2-F District yard and area standards, and chooses to continue such nonconformity; and

**WHEREAS**, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

**WHEREAS**, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS**, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

**WHEREAS**, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **625-627 SOUTH THIRD STREET (43206)**, in using said property as desired; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**
