BACKGROUND: As a result of a Request For Proposal process in accordance with Section 329.14 of the Columbus City Codes, four COBRA continuation insurance services bid responses were reviewed by the City's Evaluation Committee, comprised of five members.

Each proposal was evaluated on the following criteria as required by section 329.14: competency to perform, quality and feasibility of the offerors technical proposal, ability to perform the required service competently, past performance, and the cost structure of the proposal. United Healthcare Insurance Company is recommended as the COBRA benefits administrator. United Healthcare Insurance Company has provided excellent services for the City of Columbus. The contract is effective February 1, 2014 until January 31, 2015, renewable annually with a two year renewal option. United Healthcare Insurance Company offers the ability to duplicate negotiated benefits.

To maintain insurance programs in accordance with the negotiated labor contracts, additional funding of the COBRA continuation insurance program is necessary to insure continuation of employee insurance coverage. Cost estimates were based on 2012-13 trust fund expenditures using a three year average of actual city utilization, expected changes due to union negotiations, as well as input from insurance carriers.
