Mayor Ginther’s vision for Columbus, America’s Opportunity City, is to create access to a high-quality prekindergarten education for every 4-year-old. Addressing early childhood learning means bringing awareness and resources to a critical learning stage in childhood development. Children who come to school ready to learn are more likely to succeed academically and in life.

Children who participate in high-quality prekindergarten experiences significantly improve their early literacy, language, and math skills. Ample evidence shows that children who enter school unprepared fall farther and farther behind. Students who get a poor start in their earliest years are likely to struggle in high school and subsequently, fail to graduate.

Through Early Start Columbus, the Office of Education provides high-quality prekindergarten services to children throughout the City. However, data provided by Future Ready Columbus, an education-focused public-private partnership, shows that Kindergarten readiness scores in the Linden and Whitehall communities are lower than scores county-wide. Therefore the Office of Education plans to focus summer programming on those areas.

FISCAL IMPACT: This ordinance authorizes an expenditure of \$140,000.00 from the 2022 Office of Education’s General Fund operating budget.

EMERGENCY DESIGNATION: Emergency designation is requested so programming may begin as soon as possible.
