### BACKGROUND

The purpose of this ordinance is to authorize the Public Safety Director, on behalf of the Division of Fire, to establish a purchase order from an existing Universal Term Contract with Carl Zipf Lock Shop, Inc for the purchase of cable gun locks for public distribution.

In the U.S., one in three families with children have at least one gun in the house, and each year, nearly 1,300 children die from shootings, many of those from accidental shootings. Most commonly, these shootings occur at the hand of a friend or relative of a similar age that gained access to the firearm. Just this year, there have been several accidental shootings of children in Columbus, with two of them being ages 2 and 7. To further its efforts to protect children from gun violence, Columbus City Council is partnering with the Division of Fire to make cable gun locks available to distribute to the public. The gun locks will be distributed from fire stations across the City and available to any resident that requests one.

Below is information for the product to be purchased from the existing Universal Term Contract:

Item Description: 14" cable gun lock made from braided steel with 1-5/15 inch (33 mm) wide laminated steel padlock.  
Item No: Master Lock No. 99DSPT  
Price per unit: \$5.65/unit  
Quantity to purchase: 1,500  
Shipping Fees: None  
Total Cost: \$8,475

This legislation also authorizes the appropriation and expenditure of \$8,475.00 within the Public Safety Initiative subfund.

**EMERGENCY DESIGNATION:** Emergency action is requested to ensure that the Division of Fire has the necessary funds to begin distributing the locks, to protect the health, safety, and welfare of the residents of Columbus.

**FISCAL IMPACT:** Total appropriation is \$8,475.00 and is available in the 2021 budget within the Public Safety Initiative subfund, Fund 1000-100016.
