Plaza Properties, Inc., dba Yukon Plaza, LTD., is rehabilitating the existing Yukon building at 601 North High Street and has recently submitted a request asking that the City grant easements into Millay Alley for several existing encroachments. Per current Transportation Division practice, comments were solicited from interested parties, including City departments before it was determined that there would be no adverse impact to the City upon the granting of encroachment easements for an existing fire escape, an existing brick chimney, existing air ducts and electrical conduits, a stoop and bollards to protect a loading ramp. A value of \$500.00 was established for the granting of these encroachment easements.

The City will receive a total of \$500.00, to be deposited in Fund 748, Project 537650, as consideration for the granting of the

requested encroachment easements.

To authorize the Director of the Public Service Department to execute those documents necessary to allow the City to grant several encroachment easements into the south side of Millay Alley to Plaza Properties, Inc., dba Yukon Plaza LTD.
