Council Variance Application: CV16-066

APPLICANT: Pickett Companies, c/o Donald Plank, Atty.; 423 East Town Street, 2nd Floor; Columbus, OH 43215.

PROPOSED USE: Multi-unit residential development.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance # 0007-2017; Z16-066) to the AR-2, Apartment Residential District, to allow a multi-unit residential development. The applicant is requesting a variance to reduce the perimeter yard for the proposed four-story, two-building, 247- 245 unit apartment complex. The reduced perimeter yard is supportable because it enhances the open space along the river and allows the buildings to be positioned closer to the street complementing the multi-unit residential development directly east north across Quality Place. Additionally, staff recognizes site constraints (easements) that prohibit development on portions of the site, and that the requested variance is reflective of recent residential infill development in urban neighborhoods.

To grant a Variance from the provisions of Section 3333.255, Perimeter yard, of the Columbus City Codes; for the property located at **871 INGLESIDE AVENUE (43215)**, to permit a multi-unit residential development with reduced perimeter yard in the AR-2, Apartment Residential District (Council Variance # CV16-066).

WHEREAS, by application # CV16-066, the owner of property at **871 INGLESIDE AVENUE (43215)**, is requesting a

Council variance to permit a multi-unit residential development with reduced perimeter yard the AR-2, Apartment Residential District; and

WHEREAS, Section 3333.255, Perimeter yard, requires a minimum perimeter yard of 25 feet, while the applicant proposes reduced perimeter yard along the north, east and south property lines from twenty-five (25) feet to between zero (0) and ~~ten (10)~~ **twenty (20)** feet as depicted on the site plan titled, “**INGLESIDE APARTMENTS**”; and

WHEREAS, City Departments recommend approval because the variance is reflective of recent residential infill development in urban neighborhoods and will allow the development to be compatible with the emerging development pattern of the area; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **871 INGLESIDE AVENUE (43215)**, in using said property as desired; now, therefore:
