Council Variance Application: CV15-064

APPLICANT: Community Properties of Ohio Management Services, LLC; c/o Thomas F. Kibbey, Atty.; 41 South High Street, 2000 Huntington Center; Columbus, OH 43215.

PROPOSED USE: Office, parking, and limited storage uses.

NEAR EAST AREA COMMISSION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is zoned R-2F, Residential District, and is developed with an existing maintenance facility and parking lot for a property management office located south of the site fronting on East Broad Street. This site was subject to Ordinance No. 1867-2003 (CV03-023), passed July 28, 2003, to allow for reuse of an existing vacant warehouse with parking lot improvements and variances to area district standards. The requested Council variance will permit general office uses within the existing maintenance building, and limited on-site storage, while carrying over the approvals for the existing parking lot. The variance is necessary because the R-2F, Residential District prohibits office, parking, and storage uses. Included in the request are variances for existing site conditions for building lines, side yards, rear yard, side or rear yard obstructions, loading space size, maneuvering, and parking lot screening. The site is located within the *Near East Area Plan* (2005), which contains criteria that can be used to determine if proposed commercial uses should be supported within residential areas. Key factors include whether the structure has a history of commercial activity and parking considerations. This request can be supported because the proposal includes a renovated commercial building, and has been designed to ensure compatibility with adjacent

residential uses. Staff supports this request noting that the office use is appropriate for this location, and limits pertaining to size and location, screening, height, and types of materials to be stored have been included in the proposal.

To grant a Variance from the provisions of Sections 3332.037, R-2F, Residential District; 3312.21(D)(1), Landscaping and screening; 3312.25, Maneuvering; 3312.51, Loading space; 3332.18(D), Basis of computing area; 3332.21(D), Building lines; 3332.25, Maximum side yards required; 3332.26, Minimum side yard permitted; and 3332.28, Side or rear yard obstruction, of the Columbus City codes; for the property located at **933 EAST GAY STREET (43205)**, to permit office, parking, and limited storage uses with reduced development standards in the R-2F, Residential District, and to repeal Ordinance No. 1867-2003, passed July 28, 2003 (Council Variance # CV15-064).

WHEREAS, by application No. CV15-064, the owner of property at **933 EAST GAY STREET (43205)**, is requesting a Council variance to permit office uses, a parking lot, and limited on-site storage, with reduced development standards in the R-2F, Residential District; and

WHEREAS, Section 3312.25, Maneuvering, requires every loading space to have sufficient access and maneuvering area anywhere on a lot, while the applicant proposes to continue to use only the twenty (20) feet of the alley along the east property line for maneuvering; and

WHEREAS, Section 3312.51, Loading space, requires loading spaces to have a minimum length of fifty (50) feet, while the applicant proposes to maintain a length of forty (40) feet; and

WHEREAS, Section 3332.21(D), Building lines, requires the building setback line to be the average distance of building setbacks on contiguous lots or parcels, but in no case less than ten (10) feet, while the applicant proposes a building line of zero (0) feet along the East Gay Street; and

WHEREAS, Section 3332.25, Maximum side yards required, requires the sum of the widths of each side yard shall equal or exceed twenty (20) percent of the width of the lot, provided that not more than sixteen (16) feet need be so devoted, while the applicant proposes to maintain the existing maximum side yard of 10.93 feet; and

WHEREAS, Section 3332.26, Minimum side yard permitted, requires a minimum side yard of five (5) feet, while the applicant proposes to maintain a minimum side yard of zero (0) feet along the east property line for the existing building, and proposes three (3) feet along the west property line for the storage area and building; and

WHEREAS, Section 3332.28, Side or rear yard obstruction, requires the area in the side or rear yard to be open from the finished grade to the sky, while the applicant proposes to maintain pavement for parking and maneuvering, and proposes a storage building in the side and rear yards; and

Staff supports this request noting that the office and limited storage uses are appropriate for this location with included limits to size, height and location of materials to be stored and the use of appropriate screening.

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and
