1. BACKGROUND:

This ordinance will provide the City Attorney with funding for real estate services that are needed for the City to acquire sanitary sewer easements in connection with the Lockbourne Road Area Assessment Sewer that the Division of Sewerage and Drainage is currently undertaking. This project will take place South of the 104 Highway near Lockbourne Rd. and Koebel Rd..

2. EMERGENCY DESIGNATION:

The Division of Sewerage and Drainage is requesting City Council to consider this ordinance an emergency measure, in order to allow for the immediate commencement of the easement acquisition services. These easements are necessary to allow for the installation of sanitary sewer infrastructure that will replace failing on-site sewer systems and the associated groundwater pollution hazard.

3. FISCAL IMPACT:

This legislation includes a transfer of cash between projects within the Voted Sanitary Sewer Bond Fund and an amendment of the 2007 Capital Improvements Budget to establish sufficient funds and budget authority to cover the expenditure of \$70,000 upon passage of this ordinance.

WHEREAS, an emergency exists in the usual daily operation of the Division of Sewerage and Drainage, Department of Public Utilities, in that it is immediately necessary to authorize the transfer and expenditure of funds within the Voted Sanitary Sewer Bond Fund; to authorize the City Attorney to procure the required easements and or rights-of-way that are required to maintain and rehabilitate the infrastructure associated with the Lockbourne Road Area Assessment Sewer Project; for the preservation of the public health, peace, property and safety; now, therefore:
