Background: This ordinance authorizes the Director of Public Safety to enter into a contract with ZOLL Medical Corporation for cloud-based detailed post-case data that is accumulated from ZOLL Medical Corporation’s defibrillators/monitors. In 2020, the Columbus Division of Fire standardized to ZOLL Medical Corporation’s defibrillators/monitors. ZOLL Medical Corporation’s proprietary cloud-based software is designed to work with ZOLL Medical Corporation’s defibrillators/monitors to collect data from the defibrillators/monitors. The Division utilizes this collected data to improve EMS protocols. This contract in the amount of \$25,810.11 is for a three (3) year contract price based on \$8,603.37 annual payments. The three (3) year contract term provides a reduction in annual cost, thus providing an overall cost savings to the City. A payment of \$8,630.37 was made for this service in 2023.

Bid Waiver Justification: The Division of Fire has the ability to purchase directly from ZOLL Medical Corporation for ZOLL defibrillators/monitors proprietary cloud-based detailed post-case data services, ensuring the lowest available price for post-case data collection, storage, and analysis services for ZOLL defibrillators/monitors.

Vendor Data: ZOLL Medical Corporation #04-2711626 Vendor #000197

Emergency Designation: Emergency action is required so that the post-case data from Fire’s ZOLL Medical Corporation’s defibrillators/monitors is not deleted due to a lapse in service, thus depriving Fire of this vital data.

FISCAL IMPACT: This ordinance authorizes an expenditure of \$17,206.74 from the General Fund, for the expense for this contract between the Columbus Division of Fire and ZOLL Medical Corporation for 2024 and 2025. The Fire Division spent \$8,630.37 in 2023 for this service.

bidding provisions of the Columbus City Code; to authorize the expenditure of \$17,206.74 from the General Fund; and to declare an emergency. (\$17,206.74)

WHEREAS, the Fire Division utilizes ZOLL Medical Corporation’s defibrillators/monitors on its emergency medical and first responder vehicles; and

WHEREAS, an emergency exists in the usual daily operations of the Department of Public Safety, Division of Fire, in that it is immediately necessary to authorize the Director to enter into a contract with ZOLL Medical Corporation for cloud-based detailed post-case data services so that Fire's ability to utilize this service remains uninterrupted which prevents the deletion of cloud-stored data, all for the immediate preservation of the public health, peace, property, safety, and welfare; and **now, therefore**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
