BACKGROUND: The City of Columbus has been awarded a Federal Fiscal Year 2017 STOP Violence Against Women Act Subgrant Award from the Department of Justice, Office on Violence Against Women and the Ohio Office of Criminal Justice Services via the Franklin County Board of Commissioners, Office of Justice Policy and Programs. The VAWA program provides funding to allow states and local governments to support a broad range of activities to reduce domestic violence, dating violence, sexual assault, and stalking by strengthening services to victims and holding offenders accountable. The total FY17 VAWA subgrant award amount to the City of Columbus is \$21,104.59. The Columbus Division of Police (CPD) will provide \$1,967.83 as a partial 8.5% cash match. The Franklin County Office of Justice Policy and Programs will provide the balance to meet the subgrant’s 25% match requirement. The total project costs will be \$23,072.42.

CPD is working on a pilot project with Franklin County Probation Services and Columbus City Attorney’s Office Domestic Violence Unit (justice agencies) to expand collaborative efforts to better identify and manage high-risk domestic violence offenders as they move through probation services. The Identifying and Managing High-Risk DV Offenders Project objective is to increase the knowledge level of the justice agencies participating in the group pilot project to ensure a swift and coordinated community response for victims of domestic violence. To this end, FY17 VAWA subgrant funds will cover city CPD overtime, and travel reimbursements to city CPD and Franklin County Probation Services personnel.

The City must act as subgrantee to the Franklin County Office of Justice Policy and Programs. Therefore, the Director of

Public Safety is required to sign a subgrantee award on behalf of the City. The official City program contact authorized to act in connection with the Identifying and Managing High-Risk DV Offenders Project is Special Victims Bureau CDP Domestic Violence Sergeant Richard Ketcham.

Emergency Designation: Emergency legislation is necessary to meet grant deadlines and to make the funds available at the earliest possible time. The grant award period start date was May 15, 2018.

FISCAL IMPACT: There is no fiscal impact on the General Fund. All appropriated funds will be reimbursed by the grant award.
