BACKGROUND: The Board of Health has been awarded a grant from the Ohio Department of Health to fund the Women, Infants and Children (WIC) Program for the period October 1, 2015, through September 30, 2016. Columbus Public Health has been designated as the primary grantee agency and administrator for all WIC programs in Franklin County. The grant funds awarded provide for a contract with Nationwide Children's Hospital for \$596,730.00, for the operation of six WIC clinics at their facilities.

This ordinance waives competitive bidding provisions of the City Code. The contract compliance number for Nationwide Children's Hospital is 31-4379441. Nationwide Children's Hospital is listed as a non-profit organization.

Emergency action is requested in order to avoid any delays in providing program services.

FISCAL IMPACT: The Women, Infants and Children Program is entirely funded by the Ohio Department of Health. This program does not generate any revenue or require a City Match. This Ordinance is contingent on the passage of Ordinance No. 2318-2015 that authorizes the acceptance and appropriation of \$6,458,221.00 for the 2015-2016 WIC Grant Program.
