(\$430,000.00)

BACKGROUND:

Need: This legislation authorizes the Director of Public Safety to modify the current contract with Mount Carmel Occupational Health for testing services as needed for the Division of Fire's Health and Physical Fitness Program. This contract is mandated by the current agreement between the City of Columbus and IAFF Local 67 Firefighters Union.

Bid Information: In 2007, the Division of Fire completed a review of the sole proposal submitted to the City in response to a formal request for proposal (RFP) for Health and Physical Fitness testing services. At that time, the Fire Division recommended the selection of Mount Carmel Occupational Health, the sole bidder. The vendor was selected based upon defined criteria included in the RFP and the requirements of the Columbus City Codes.

This is beginning of the second year of this contract, which is a two-year contract with an option to extend for an additional year.
