Rezoning Application # Z06-086

APPLICANT: H & G, LLC; c/o Jeffrey L. Brown and David L. Hodge, Attys.; Smith and Hale; 37 West Broad Street, Suite 725; Columbus, OH 43215.

PROPOSED USE: Retail commercial development and retail filling station with convenience store.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on April 12, 2007.

WESTLAND AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant requests the CPD, Commercial Planned Development District to modify the current CPD Plan and to allow additional permitted uses. The requested CPD District is consistent with recommendations of the *Westland Area Plan* (1991) that this site be developed as a village center. It includes design elements such as buffering, landscaping, screening, building treatment/materials, outdoor display, and lighting and graphics controls that are compatible with the commercial development located to the east across Galloway Road.

To rezone **6151 HALL ROAD (43119)**, being 9.4± acres located at the southwest corner of Hall and Galloway Roads, **From:** CPD, Commercial Planned Development District, **To:** CPD, Commercial Planned Development District (Rezoning # Z06-086).

WHEREAS, application #Z06-086 is on file with the Building Services Division of the Department of Development requesting rezoning of 9.4± acres from CPD, Commercial Planned Development District to CPD, Commercial Planned Development District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the Westland Area Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested CPD District is consistent with recommendations of the *Westland Area Plan* (1991) that this site be developed as a village center. It includes design elements such as buffering, landscaping, screening, building treatment/materials, outdoor display, and lighting and graphics controls that are compatible with the commercial development located to the east across Galloway Road, now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Official Zoning Map of the City of Columbus, as adopted by Ordinance No. 0179 -03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:

3. DEVELOPMENT STANDARDS: Unless otherwise indicated in the written text, the applicable development standards shall be those standards contained in Chapter 3356, C-4, Commercial of the Columbus City Code.

A. Density, Height, Lot and/or Setback commitments.

1. Parking setback from Hall Road and Galloway Road shall be ten (10') feet.
2. Building setback from Hall Road and Galloway Road shall be fifty (50') feet except for out lots along Hall Road and Galloway Road where the building setback shall be twenty-five (25') feet.
3. Building and parking setback shall be thirty (30') feet and ten (10') feet respectively from the west and south property lines.

B. Access, Loading, Parking and/or other Traffic related commitments.

1. If requested by COTA, the developer shall provide an internal bus stop on the site.
2. The developer shall dedicate a total of forty (40') feet from the centerline of Hall Road as right of-way.
3. At the time of development of the shopping center the developer shall widen Hall Road to a three-lane section from Galloway Road to the third curb cut to the site west of Galloway Road, with the appropriate return taper extending to the west of this curb cut.
4. At the time of development of the shopping center the developer shall widen Galloway Road to a three-lane section from Hall Road to the southernmost curb cut on Galloway Road, with the appropriate transition back to two lanes to the south.
5. With the development of any out lot, Hall Road shall be widened west from Galloway Road to a taper west of the easternmost curb cut, and Galloway Road shall be widened south from Hall Road to a taper south of the northernmost curb cut.
6. The easternmost curb cut onto Hall Road shall be restricted to right-in / right-out only.
7. The developer shall install a southbound right turn lane into the northernmost drive on Galloway Road.

C. Buffering, Landscaping, Open space and/or Screening commitments.

1. Within the setback areas along Hall Road and Galloway Road, a white horse fence, a three (3') foot average height continuous planting hedge, or earth mound, in any combination thereof, shall be installed as well as four (4') trees per one hundred (100') feet of frontage thereof. The height of the screening material shall be measured from the adjacent parking lot pavement. Trees do not have to be equally spaced, but may be grouped. The area fifty (50') feet from the corner of Galloway and Hall Road shall not adhere to this requirement but shall consist of any of the following:
 - a. Water feature not less than 10 sq. ft.
 - b. Outdoor seating not less than 100 sq. ft.
 - c. Landscaping not less than 100 sq. ft.
2. Within the setback areas along the south property lines, one tree per thirty (30') linear feet shall be installed.
3. Within the setback area along the west property line, the developer shall install a minimum four (4') feet high earth mound and two (2) rows of alternating evergreens fifteen (15') feet on center. The mounding and the evergreens shall be split between the developer's property and the churches property zoned to the west provided that the church grants the necessary easement to install said landscaping. The failure of the church to grant said easement shall eliminate the landscaping requirement and the developer shall meet the landscape requirement contained in section 3342.17 of the Columbus City Code.
4. A five (5') foot wide landscape strip shall be established between the side parcel lines of the out lots along Hall Road and Galloway Road. The strip may be all on one parcel or split between the parcels.
5. All trees and landscaping shall be well maintained. Dead items shall be replaced within six (6) months with landscape materials per the original requirements.

6. One tree shall be planted for every ten (10) parking spaces.

7. Minimum tree sizes at installation: deciduous trees, 2 1/2 inch caliper; ornamental trees 1 1/2 inch caliper; evergreen, five (5') feet in height.
