The Department of Public service is engaged in the Roadway Improvements - Hamilton Road Extension from Central College to Walnut project. The project will build a 3-lane roadway to Site Drive 3, an intersection with a private drive approximately 1000 feet north of Central College Road. Construction will also include sidewalk, street lighting, stormwater controls, and a right-in, right-out approximately 300 feet north of Central College Road. The intersection at Hamilton Road and Central College Road will become four-way stop controlled.
