BACKGROUND: The Department of Public Utilities entered into a contract with The Herald, Inc. for the purchase of printing services for the Department of Utilities. These services include, but are not limited to prepress, printing, variable data imaging, finishing, fulfillment, CD production, and delivery services. This contract was the result of a Director's bid received on December 23, 2016 (RFQ004083). The Herald, Inc. was the lowest, responsive and responsible, and best bidder and complied with all requirements of the specifications. The original contract was in effect from the date of execution to March 31, 2018 with an annual extension clause that provides for four additional one-year extensions. The Department is pleased with their performance and would like to renew and modify the original contract to extend the term for one additional year, to March 31, 2022, and add an additional \$21,600 to cover increased expenses.

There is a need to enter into a modification of the original contract to add additional funds for the Department of Public Utilities and to ensure that there are no interruptions in the timely delivery of printing services.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

VENDOR: The Herald, Inc. (27-3190748, DAX #003174), Pending Certification update; does not hold MBE/FBE status.

1. Amount of additional funds: Total amount of additional funds needed for this contract modification No. 5 is ADD \$21,600.00. Total contract amount including this modification is \$475,411.73. The modification represents a further increase in the number of items needed related to changed methods of delivery and funding added during the contract period for costs related to the services provided. The need for increased funding is to cover anticipated contract billings during fiscal year 2021.

2. Reason additional needs were not foreseen: The need for additional funds was foreseen, an extension is provided for in the original contract. This legislation is to encumber the funds budgeted for fiscal year 2021 for the Department of Public Utilities.
3. Reason other procurement processes not used: No lower pricing/more attractive terms and conditions are anticipated at this time.
4. How cost was determined: The increase in quantities is based on the information provided to customers. All other costs, terms and conditions are in accordance with the original agreement.

FISCAL IMPACT: \$21,600.00 is budgeted and needed for this purchase.

\$59,111.75 was spent in 2020.

\$55,271.30 was spent in 2019.

To authorize the Director of Public Utilities to renew, modify, and increase the contract with The Herald, Inc. for printing services; to authorize the expenditure of \$5,200.00 from the Electricity Operating Fund, \$6,000.00 from the Storm Sewer Operating Fund, and \$10,400.00 from the Sanitary Sewer Systems Operating Fund (\$21,600.00).

WHEREAS, the Department of Public Utilities has a contract with The Herald, Inc. for printing services; and

WHEREAS, per the terms of the contract, the vendor has agreed to modify PO054484 to increase funding at the same unit pricing and the same escalator clause to and including March 31, 2022, and it is in the best interest of the City to exercise this option; and

WHEREAS, it has become necessary in the usual daily operation of the Department of Public Utilities to authorize the Director to modify and increase Contract No. PO054484 with the Herald, Inc. for printing services; now, therefore,
