1. BACKGROUND

This ordinance authorizes the Director of Public Service to enter into agreement with and provide additional funding to the Ohio Department of Transportation (ODOT) to perform the rehabilitation of parts of SR 317 from Columbus corp. limit at the east end of the bridge over Big Walnut Creek to the Groveport corp. limit lying within the City of Columbus (FRA-317-0.34, PID 79315).

Ordinance 0811-2013 authorized the Director of Public Service to provide funds to ODOT prior to ODOT opening bids and if additional funds were needed after the bid opening, the Director of Public Service would seek Council approval for the additional funds. ODOT opened bids in May 2013 and additional City funding is needed to proceed with the project.

2. FISCAL IMPACT

The additional funding needed for the Department of Public Service's portion of the project is \$6,098.00. The total amount the City is contributing through the Department of Public Service is \$62,088.00 (\$55,990.00 (Ord. 0811-2013)) plus \$6,098.00 (authorized by this ordinance). An amendment to the 2013 Capital Improvements fund is necessary for the purpose of providing sufficient spending authority for the aforementioned project expenditure.
