BACKGROUND: The Columbus Health Department has been awarded a grant from the Homeland Security Department through the Ohio Emergency Management Agency. This ordinance is needed to accept and appropriate \$317,419.00 in grant money to fund this program for the period of August 1, 2010, through July 31, 2013.

The Metropolitan Medical Response System grant provides assistance to the Columbus area medical emergency partner network to

respond to a mass casualty event in central Ohio, e.g., local airport exercises, Poison Control services, Medical Reserve Corps Services.

This ordinance is submitted as an emergency so as to allow the financial transaction to be posted in the City's accounting system as soon as possible given the grant start date of August 1, 2009. Up to date financial posting promotes accurate accounting and financial management.

FISCAL IMPACT: The program is funded by the Homeland Security Department and does not generate revenue or require a city match.

To authorize and direct the Board of Health to accept a grant from the Homeland Security Department through the Ohio Emergency Management Agency in the amount of \$317,419.00; to authorize the appropriation of \$317,419.00 in the Health Department Grants Fund; and to declare an emergency.
