The purpose of this legislation is to renew the yearly subscription for the Division of Sewerage and Drainage with the Water Environment Federation Research Foundation (WERF). The Research Foundation performs research that applies to various operations within the Division of Sewerage and Drainage, including sewage sludge incineration, stormwater management, bio-solids reuse, whole effluent toxicity, and combined sewage overflow (CSO). Subscription rates are based on prior year average daily flow managed including wet weather flow. For 2008 the average was 160 multiplied by \$391.00 per mgd.

The USEPA no longer performs important research work and the Water Environmental Federation Research Foundation fills this void by performing needed research in the areas stated above. Subscribers to WERF are provided direct and timely access to research information that enables the Department of Public Utilities to enhance and improve the quality of wastewater and storm water management. There are many emerging issues that require research in the near future and being a subscriber to WERF enable the Department of Public Utilities to receive any future research will be shared to personnel within the department. The subscription period is through December 31, 2009.

SUPPLIER: Water Environment Research Foundation (54-1511635) **Non-Profit.**

Fiscal Impact: This contract was budgeted in the amount of \$62,560.00.

\$60,960.00 was spent in 2008

\$57,920.00 was spent in 2007

To authorize the Director of Public Utilities to pay subscription fees to subscribe with the Water Environment Research Foundation for Fiscal Year 2009 for use of the Utility Subscription Program for the Division of Sewerage and Drainage, and to authorize the expenditure of \$62,560.00 from the Sewerage System Operating Fund. (\$62,560.00)

WHEREAS, it is necessary to subscribe with the Water Environment Federation Research Foundation to insure continued and proper research in Wastewater Treatment areas for Fiscal Year 2009, and

WHEREAS, the Research Foundation performs research that applies to our operations - sewage sludge incineration, Stormwater management, bio-solids reuse, whole effluent toxicity, and combined sewage overflow, and

WHEREAS, the subscription period is through December 31, 2009, and

WHEREAS, the Water Environment Federation Research Foundation currently conducts research applicable to the City of Columbus Division of Sewerage and Drainage operations including sewage sludge incineration, bio-solids reuse/recycling, whole effluent toxicity, combined sewer overflows (CSO). The collaborative research provided by the Water Environment Federation Research Foundation is a cost-effective means to fill a void of wastewater industry. Subscription enables the City to participate in developing future topics and have full access to research in progress; now, therefore
