Ordinance No. 0434-2008, passed March 17, 2008, granted permission to various groups to apply for temporary liquor permits authorizing the sale of alcoholic beverages at special events to be held during 2008. These organizations wish to sell alcoholic beverages to eligible patrons on various public streets and property to be used for the events. The City of Columbus, acting by and through its Director of Recreation and Parks, is required to grant approval to the organizers of these events so they may obtain the required permits from the Ohio Division of Liquor Control. It has since been determined that the name of one of the entities in the ordinance was incorrect. The name in the original ordinance was listed as Park Street Fest, LLC. The correct name of the organization should be the Short North Business Association. This ordinance amends 0434-2008 to correct the name of the organization to the Short North Business Association.

Emergency action is requested so that the organizations can meet the permit deadlines as established by the Ohio Division of Liquor Control.
