BACKGROUND: In 2003 the Discovery District Development Corporation asked Capitol South Community Urban Redevelopment Corporation to initiate an effort to work with Discovery District property owners to create a Special Improvement District (SID) on the east side of downtown. Property owners were surveyed and overwhelmingly were in support of seeing a proposal to create a SID. The SID was created for an initial five year period, was very successful and reauthorized in 2010 and again in 2015. The property owners initiated a one-petition process to reauthorize the SID in which at least 60% of the property owners within the District signed that they are interested in reauthorizing the SID and approving the Articles of Incorporation. This petition was accepted and approved by Columbus City Council by Ordinance 0639-2015, passed March 23, 2015. Another action required by the Ohio Revised Code is the approval of the Plan for Improvements and Services and the inclusion of City owned property in said plan. This legislation was approved by Columbus City Council by Resolution 0060X-2015, passed March 23, 2015. The third piece of legislation was to declare the necessity to implement the Plan of Services adopted by the Discovery Special Improvement District of Columbus, Inc., and to levy a special assessment for the services. This legislation was approved by Columbus City Council by Resolution 0097-2015, passed April 27, 2015. A final piece of legislation, providing for the levy of assessment to property owners, was approved by City Council by Ordinance 1893-2015, passed July 27, 2015. Each assessment is to be returned to the SID for operational requirements as set forth in the District Plan.

This legislation appropriates and approves the expenditure of assessments collected in fiscal year 2016 that are to be returned to the SID. This legislation also allows the Director of Development to enter into a contract with the Discovery Special Improvement District of Columbus, Inc. for disbursement of these funds.

Emergency action is necessary to allow vital program services to continue without interruption.

FISCAL IMPACT: Funds for this expenditure will be received from the levy of assessments collected from property owners in the Discovery Special Improvement District. These funds are deposited into and expended from Agency Fund

3310.

To authorize the Director of Development to enter into a contract with the Discovery Special Improvement District of Columbus, Inc. for the implementation of services set forth in the District Plan; to direct the City Auditor to appropriate and expend up to \$600,000.00 from assessments levied from property owners; and to declare an emergency.
