1. BACKGROUND:

This legislation authorizes the Director of Public Utilities to execute a contract modification to the Sewer System Engineering Section's Construction Administration and Construction Inspection Services Agreement with Prime Engineering & Architecture, Inc. This modification involves two construction projects: (1) Clintonville Private Source I/I Identification Pilot Project and (2) West Columbus Local Protection (WCLPP) - Concrete Floodwall & Joint Repair. The funds approved within this legislation will provide for payment of services needed to continue the ongoing construction.

This modification (Mod #1) will increase the funding of the contract by an additional \$116,880.84 for construction administration - construction inspection services that need additional funding. This project typically involves the replacement and or rehabilitation of sanitary and combined stormwater sewer system infrastructure.

The original contract for Prime Engineering & Architecture, Inc. was for construction administration and construction inspection.

1.1. Amount of additional funds to be expended: \$116,880.84

Original Contract Amount:	\$672,000.00
<u>Modification 1</u>	<u>\$116,880.84</u>
Total (Orig. + Mod 1)	\$788,880.84

1.2. Reasons additional goods/services could not be foreseen:

The modification was anticipated and explained in the original legislation. This is a continuation of the anticipated process.

1.3. Reason other procurement processes are not used:

The original contract selected three firms to provide construction administration services for these projects.

1.4. How cost of modification was determined:

A cost proposal was provided by Prime Engineering & Architects, Inc. and reviewed by the Division of Sewerage and Drainage and was deemed acceptable.

2. MULTI-YEAR CONTRACT:

This ordinance authorizes the expenditure of \$116,880.84 for two sanitary sewer projects: \$63,222.54 for the sanitary sewer system and \$53,658.30 for the stormwater project. The Department anticipates requesting additional appropriations to this contract for additional fiscal years, through planned contract modifications duly authorized by City Council. Under the terms of this contract, the City has the right to contract for additional services to fulfill emergency capital improvements related needs subject to the approval of a contract modification by City Council. The rates schedules established within this contract will remain in force throughout the life of the contract.

3. FISCAL IMPACT:

The funding for this modification will come from two sources: the Sanitary Sewer General Obligation (G.O.) Bond Fund, Fund 664 and the Storm Sewer Bond Fund, Fund 685. This ordinance authorizes the Director of Public Utilities to transfer within and expend \$63,222.54 Sanitary Sewer G.O. Bond Fund and the expenditure of \$53,658.30 from the Storm Sewer Bond Fund, and to amend the 2011 Capital Improvement Budget.
