Council Variance Application: CV14-047

APPLICANT: NRP Group, LLC; c/o Dave Perry, David Perry Company, Inc.; 145 East Rich Street, Third Floor; Columbus, Ohio 43215; and Donald Plank, Attorney; Plank Law Firm; 145 East Rich Street, Third Floor; Columbus, Ohio 43215.

PROPOSED USE: Multi-unit residential and limited commercial development.

SOUTH SIDE AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from the Development Commission for a concurrent rezoning (Ordinance No. 0124-2015; Z14-045) to the L-AR-1, Limited Apartment Residential District. The applicant proposes to build a multi-unit residential development with up to fifty-eight (58) dwelling units and a maximum of 2,700 square feet of general office. In order to develop the site consistent with the established development pattern of the area, a number of variances are requested for permitted uses, building lines, perimeter yard, height districts, and landscaping and screening. The site is located within the planning area of the *Near South Side Plan* (2011), which recommends institutional uses for this location, in recognition of the site's previous use as a school. The plan also recommends maintaining current densities (6-10 du/ac) in the area, a series of design guidelines for residential development and preserving landmarks (including the school building). The proposal addresses these recommendations by placing an apartment building on the portion of the site currently zoned C-4, Commercial District, which allows for such a use in conjunction with commercial development. The balance of the proposal includes residential development compatible with area densities. Staff finds this request to be compatible and consistent with the zoning and development patterns in the area, and in substantial compliance with the recommendations of the *Near South Side Plan*.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1, Apartment Residential District Use; 3309.14, Height districts; 3312.21, Landscaping and screening; 3333.18, Building lines; and 3333.255, Perimeter yard of the Columbus City Codes; for the property located at **760 REINHARD AVENUE (43206)**, to permit residential and limited commercial development with reduced development standards in the L-AR-1, Limited Apartment Residential District for a fifty-eight (58) unit residential development **and to declare an emergency** (Council Variance # CV14-047).

WHEREAS, by application No. CV14-047, the owner of property at **760 REINHARD AVENUE (43206)**, is requesting a Council Variance to permit limited commercial uses and reduced development standards in the L-AR-1, Limited Apartment Residential District for a multi-unit residential development; and

WHEREAS, Section 3333.02, AR-12, ARLD and AR-1, Apartment Residential Districts, permit a minimum of three (3) three- or four-unit dwellings as a multiple dwelling development on one lot, but allows only one (1) two-unit dwelling per lot, while the applicant proposes a maximum of 2,700 square feet of general office located in the proposed apartment building fronting Whittier Street, and to permit a total of fifty-eight (58) dwelling units in the form of a forty-four (44) dwelling unit building, three (3) four-unit dwellings, and one (1) two-unit dwelling, all on the same lot; and

WHEREAS, Section 3309.14, Height districts, requires any portion of a building in the L-AR-1, Limited Apartment Residential District to not exceed a height of thirty-five (35) feet in the thirty-five (35) foot height district, while the applicant proposes to permit a building height of thirty-nine (39) feet for the forty-four (44) dwelling unit building and a building height of thirty-six (36) feet for the townhouse buildings; and

WHEREAS, 3312.21, Landscaping and screening, requires any landscaping in the parking setback area to not be paved, while the applicant proposes to permit a bus stop with either a paved pad or a bus shelter in the landscaped parking setback of East Whittier Street; and

WHEREAS, 3333.18, Building lines, requires a building line of no less than thirty (30) feet along Whittier Street and twenty-five (25) feet along Reinhard Avenue, while the applicant proposes a reduced building line of fifteen (15) feet for both street for the proposed residential buildings and to permit a bus stop with a bus shelter structure at zero (0) feet on Whittier Street; and

WHEREAS, 3333.255, Perimeter yard, requires a perimeter yard of no less than twenty-five (25) feet, while the applicant proposes a perimeter yard of ten (10) feet along Whittier Avenue, seven (7) feet along Reinhard Avenue and fifteen (15) feet along the alley adjacent to Heyl Avenue; and

WHEREAS, City Departments recommend approval because the requested variances will allow development that is consistent with the established development pattern and in substantial compliance with the recommendations of the *Near South Side Plan*; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **760 REINHARD AVENUE (43206)**, in using said property as desired; and

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; now, therefore:
