BACKGROUND:

Need: The City of Columbus Division of Police has been awarded funding through the FY-2005 Paul Coverdell National Forensic Science Improvement Act. The grant program provides funds to improve the quality and timeliness of forensic science services. This competitive grant funding award is for the purchase of a ballistic comparison microscope and overtime costs to reduce the backlog of firearms casework and data entry onto the National Integrated Ballistic Information Network (NIBIN). The City must act as a subgrantee to the State of Ohio Office of Criminal Justice Services according to the federal grant guidelines. Therefore, the Mayor is required to sign a subgrantee award to accept on behalf of the City. The official City program contact authorized to act in connection with this grant is Crime Lab Manager, Jami St. Clair.

Emergency Designation: Emergency legislation is needed to make these funds available as soon as possible to begin the equipment purchasing process and have the overtime funding in place for use.

FISCAL IMPACT:

There is not fiscal impact for the General Fund Account. All funds appropriated are reimbursable from the grant award.

To authorize and direct the Mayor of the City of Columbus to accept a subgrantee award through the FY2005 Paul Coverdell National Forensic Sciences Improvement Act via the State of Ohio, Office of Criminal Justice Services, to authorize Jami St. Clair as the official representative to act in connection with the subgrant, to authorize an appropriation of \$89,985.00 from the unappropriated balance of the General Government Grant Fund to the Division of Police to cover the costs of the FY05 Coverdell Competitive subgrant project and to declare an emergency. (\$89,985.00)

WHEREAS, the City of Columbus Division of Police has been awarded funding through the FY05 Paul Coverdell National Forensic Sciences Improvement Act competitive grant process for overtime costs of forensic lab personnel and the purchase of a ballistic comparison microscope; and

WHEREAS, reduction of the backlog of ballistic comparison cases and input onto the National Integrated Ballistic Information Network (NIBIN) will increase the effectiveness of the current technology in the criminal justice system; and

WHEREAS, Crime Lab Manager Jami St. Clair has been identified as the official representative to act in connection with the FY2005 Paul Coverdell National Forensic Science Improvement Act Competitive Subgrant and to provide information as required; and

WHEREAS, the grant funds need to be available as soon as possible for the equipment purchase and overtime work; and

WHEREAS, an emergency exists in the daily operation of the Division of Police, Department of Public Safety, in that it is immediately necessary to authorize the Mayor to accept a FY05 Paul Coverdell Competitive Subgrant for the Division of Police Crime Lab and to authorize an appropriation for overtime and lab equipment for the forensic lab personnel for the preservation of the public health, peace, property, safety and welfare, now therefore
