BACKGROUND: This legislation authorizes the City Clerk to report to the Auditor of Franklin County in Ohio all charges which are due to the City of Columbus, Department of Development and are certified for payment to said County Auditor in conformance with Sections 701.07 through 701.19 of the Columbus City Code for weed and solid waste removal. The 2001 Budget transferred responsibility for weed and solid waste abatement activities from the Columbus Health Department to the Department of Development. In the assessment period covered by this legislation (November 1st, 2007 through February 29th, 2008), owners of 159 properties within Columbus were notified to abate weed and solid waste nuisances. Those properties where violations were not abated were turned over to the Environmental Nuisance Weed and Solid Waste Program for compliance. Abatement was completed using the services of private contractors. This legislation provides for assessment of the costs associated with the weed and solid waste abatement process.

Emergency action is required so that assessments can be placed on the December 2008 tax duplicate.

FISCAL IMPACT: No funding is required for this legislation. This legislation provides a mechanism for recovery of costs associated with the weed and solid waste abatement program.
