Council Variance Application: CV20-103

APPLICANT: Manning 569 Holdings, LLC; c/o David Hodge, Atty.; Underhill and Hodge, LLC; 8000 Walton Parkway, Suite 260; New Albany, OH 43054.

PROPOSED USE: Multi-unit residential development.

COLUMBUS SOUTHSIDE AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance #0865-2021; Z20-089) to the AR-1, Apartment Residential District. The applicant proposes a multi-unit residential development totaling 17 units on two parcels divided by a public alley. The requested Council variance will allow a mix of single- and three-unit dwellings and a six-unit apartment, and permits three garage parking spaces for the northern parcel to be provided on the southern parcel. Staff finds the requested variances to be supportable as they will allow a multi-unit residential development that is consistent with residential infill in urban neighborhoods. Additionally, the submitted site plan demonstrates preservation of the bell tower of the existing religious facility.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1 apartment residential district use; 3312.49(C), Minimum numbers of parking spaces required; 3321.05(B)(2), Vision clearance; 3333.15(C), Basis of computing area; 3333.18, Building lines; and 3333.255, Perimeter yard, of the Columbus City Codes; for the property
