Council Variance Application: CV12-060

APPLICANT: Jeffrey New Day LLC, c/o Donald Plank, Atty.; Plank Law Firm; 145 East Rich Street, 3rd Floor, Columbus, OH 43215.

PROPOSED USE: To permit residential uses, public and/or private parkland and open space, and public and/or private school(s) and to establish appropriate development standards for a mixed-use residential and commercial development in the M, Manufacturing District.

ITALIAN VILLAGE AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. Ordinances 0284-01, passed February 26, 2001 (CV00-058) and 1023-02, passed July 8, 2002 (CV02-035) permit a mixture of residential and commercial uses, public and/or

private parkland and open space, and public and/or private school(s). Applicant proposes this new variance to permit an increase in the maximum number of dwelling units permitted by the two (2) previous Council variances from 1,050 to 1,500 and to modify certain development standards established in the two current ordinances. The current development concept for the site is oriented more toward residential development than commercial, thus the requested increase in dwelling units. The standards changes are minor and consistent with the concept for redevelopment of the site approved with the 2001 and 2002 ordinances.
