BACKGROUND: For the option to purchase Electro-Hydraulic Actuators for the Water Division, the largest user. The term of the proposed option contract would be two years with an option to renew for one (1) additional year if mutually agreed.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA000465). Twenty-nine (MAJ:29) bids were solicited; one (MAJ:1) bid received.

The Purchasing Office is recommending award of a contract to the low bidder:
APA Incorporated, MAJ, CC#31-1042642

Estimated Annual Expenditure: \$193,512.00

The recommended company is not debarred according to the Excluded Party Listing System of the Federal Government. Since additional legislation will most likely be necessary for any division to purchase off this option contract, this ordinance is submitted as an emergency. Without this emergency action, no less than 37 days will be added to this procurement cycle and the efficient delivery of valuable public services will be slowed.

FISCAL IMPACT: Funding to establish this option contract is budgeted in the Purchasing Contract Account. The Water Division will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

To authorize and direct the Finance Director to enter into a contract for an option to purchase Electro-Hydraulic Actuators, with APA Incorporated, to authorize the expenditure of one dollar to establish the contract from the Purchasing/Contract Operation Fund, and to declare an emergency. (\$1.00)

WHEREAS, the Purchasing Office advertised and solicited formal bids on June 26, 2003 and selected the lowest bid; and

WHEREAS, this ordinance addresses Purchasing objectives of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and

WHEREAS, an emergency exists in the usual daily operation of the Purchasing Office in that it is immediately necessary to enter into a contract for an option to purchase Electro-Hydraulic Actuators, thereby preserving the public health, peace, property, safety, and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
