BACKGROUND: To modify and extend the existing city-wide contracts for the option to purchase Rifle Ammunition for the Division of Police, the largest user to and including December 31, 2005. The Purchasing Office opened formal bids on January 9, 2003. The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06. (Proposal No. SA000367DRM). FL001664, with Pennsylvania Police Supply Inc., contract compliance number 25-1645953 and FL001665, with Matre Arms & Ammunition, Inc., contract compliance number 31-0780448 were established in accordance with bids received. These companies are not debarred according to the Federal Excluded Parties Listing or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

- 1) Amount of additional funds: The estimated annual expenditure for the contracts is \$33,000.00. The Division of Police must obtain approval to expend from their own budgeted funds for their estimated expenditures.
- 2) Reason additional needs were not foreseen: The need was foreseen. An extension is provided for in the original contracts.
- 3) Reason other procurement processes not used: The same exact product is required as originally bid. No lower pricing/more attractive terms or conditions are anticipated through rebidding at this time.
- 4) How cost was determined: The cost, terms and conditions are in accordance with the original agreement

FISCAL IMPACT: No funding is required to extend the option contracts. The Division of Police must set aside their own funding for their estimated expenditures.
