**Background:** The City of Columbus is owner of certain real property located in the vicinity of East Main Street and Champion Avenue, which includes that 1166 East Main Street address commonly known as the Central Community House. The Columbus Southern Power Company has requested that the City grant certain easements over and across the aforementioned City owned real property to install underground electric transmission cables and a concrete electric transformer pad and necessary appurtenances. These cables will supply electricity to the Central Community House, which currently leases its real property from the City. The electrical service provided by the underground lines will improve the subject real property and be a benefit to the City. After investigation, it has been determined that the granting of the requested easement will not adversely affect the City and should be granted at no charge. The following legislation authorizes the Columbus Health Commissioner to execute those documents necessary to grant the requested easement.

**Fiscal Impact:** N/A

**Emergency Justification:** Emergency action is requested as not to delay the construction and installation of the subject electric power line, which will benefit the City.

To authorize the Columbus Health Commissioner to execute those documents necessary to grant certain perpetual utility easements to the Columbus Southern Power

Company, in order to provide electrical service to that City owned real property located in the vicinity of East Main Street and Champion Avenue, commonly known as the Central Community Center House to waive the competitive bidding and Land Review Commission requirements of the Columbus City Codes (1959) Revised, and to declare an emergency.

WHEREAS, the City of Columbus is owner of certain real property located in the vicinity of East Main Street and Champion Avenue, which includes that 1166 East Main Street address commonly known as the Central Community House; and

WHEREAS, the Columbus Southern Power Company has requested that the City grant certain easements over and across the aforementioned City owned real property to install underground electric transmission cables and a concrete electric transformer pad and necessary appurtenances; and

WHEREAS, these cables will supply electricity to the Central Community House, which currently leases its real property from the City; and

WHEREAS, after investigation, it has been determined that the electrical service provided by the underground lines will improve the subject real property and be a benefit to the City; and should be granted at no charge; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Health in that it is immediately necessary to authorize the Health Commissioner to execute those documents, as approved by the Real Estate Division, Department of Law, necessary to grant certain easements to the Columbus Southern Power Company so as not to delay the resulting benefit to the City, thereby preserving the public health, peace, property, safety, and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Columbus City Health Commissioner be and hereby is authorized to execute those documents, as approved by the Real Estate Division, Department of Law, necessary to grant certain perpetual non-exclusive electrical easements to Columbus Southern Power Company in, over, under, across, and through the following described real property, to-wit:
