BACKGROUND: This legislation authorizes the Finance and Management Director to modify a contract on behalf of the Office of Construction Management with Mull & Weithman Architects, Inc. for professional architectural and engineering consulting services for various city renovation projects. This serves as a blanket contract for renovations to city buildings and building components. Ordinance No. 0505-2014, passed by City Council on March 26, 2014, authorized the original contract for professional architectural and engineering consulting services for various city renovation projects.

This modification authorizes additional funding for the blanket contract for renovations to city building and building components. A blanket contract is an efficient mechanism by which smaller renovation projects can be more efficiently scoped and bid. Actual construction projects designed under this contract come back to Council for authorization. It is practical and cost effective for ongoing coordination and planning to modify this contract with Mull & Weithman Architects, Inc. It would not be in the best interests of the city to go with another vendor at this time.

Emergency action is requested so that needed renovations within the city may be designed and/or assessed as quickly as possible.

Mull & Weithman Architects, Inc. Contract Compliance No. 31-1635306, expiration date September 23, 2015.

Fiscal Impact: The cost of this contract is \$250,000.00. This legislation authorizes the expenditure of \$75,000.00 from

the Construction Management Capital Improvement Fund; \$125,000.00 from the Safety Voted Bond Fund; \$15,000.00 from the Information Services Capital Improvement Bond Fund; \$25,000.00 from the General Permanent Improvement Fund; and \$10,000.00 from the Development Services Fund. Sufficient funding is available in these funds for the stated purpose.

To amend the 2014 Capital Improvement Budget; to authorize the City Auditor to transfer funds within the Construction Management Capital Improvement Fund, the Safety Voted Bond Fund, the Information Services Capital Improvement Fund, the General Permanent Improvement Fund and the Development Services Fund; to authorize the Director of Finance and Management to modify a contract on behalf of the Office of Construction Management with Mull & Weithman Architects, Inc.; to authorize the expenditure totaling \$250,000.00 from the Construction Management Capital Improvement Fund, the Safety Voted Bond Fund, the Information Services Capital Improvement Fund, the General Permanent Improvement Fund, and the Development Services Fund; and to declare an emergency. (\$250,000.00)

WHEREAS, it is necessary to amend the 2014 Capital Improvement Budget and to transfer cash between projects within the Construction Management Capital Improvement fund, the Safety Voted Bond Fund, the Information Services Capital Improvement Fund, the General Permanent Improvement Fund, and the Development Services Fund; and

WHEREAS, Ordinance No. 0505-2014, passed by City Council on March 26, 2014, authorized the original contract for professional architectural and engineering consulting services for various city renovation projects; and

WHEREAS, the Finance and Management Department, Office of Construction Management, desires to modify a contract with Mull & Weithman Architects, Inc. for professional architectural and engineering consulting services for various city renovation projects; and

WHEREAS, an emergency exists in the usual daily operation of the Finance and Management Department, Office of Construction Management, in that it is immediately necessary to authorize the Director to modify a contract with Mull & Weithman Architects, Inc. for professional architectural and engineering consulting services, so that needed renovations may be accomplished as quickly as possible; thereby preserving the public health, peace, property, safety, and welfare; now, therefore:
