**1. BACKGROUND:** This legislation authorizes the Director of Public Utilities to enter into an agreement with Resource International, Inc., in the amount of \$263,700.00, for professional engineering services for the Brentnell Avenue Area Water Line Improvements Project, Division of Power and Water Contract No. 1168.

The purpose of this project is to construct necessary improvements to the water distribution system in the Brentnell Avenue Area. The improvements identified in the scope of work will replace mains that have high break histories and require frequent maintenance. This project includes replacing approximately 13,000 linear feet of 6-inch, 8-inch and 12-inch diameter water mains within the project area.

The goal of this project is to replace or rehabilitate water lines that have a high break frequency and, in some cases, increase the size of currently under-sized water lines. Replacement of these water lines will decrease burden on water maintenance operations. The new lines constructed under this project should eliminate the pattern of frequent water line breaks and reduce unbilled water loss.

The Neighborhood Liaison(s) will be contacted and informed of this project during the design phase. Further community outreach may result through the Neighborhood Liaison Program.

**2. BID INFORMATION:** The selection of the firm providing the professional engineering services has been performed in accordance with the procedures set forth in Columbus City Code, Section 329.14, "Awarding professional service contracts through requests for proposals." Requests for Proposals (RFP's) were received on October 7, 2011 from Resource International, Inc., Chester Engineers, and DLZ Ohio, Inc.

An evaluation committee reviewed the proposals and scored them based on the criteria stated in the Code. Based on the evaluation of the proposals submitted, the Director of Public Utilities requests award of the project to Resource International, Inc.

The Contract Compliance Number for Resource International, Inc. is 31-0669793 (expires 6/3/12, F1). Additional information regarding all bidders, description of work, contract time frame and detailed amounts can be found on the attached Information form.

Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no findings against Resource International, Inc.

**3. FISCAL IMPACT:** A transfer of funds within the Water Works Enlargement Voted Bonds Fund will be necessary as well as an amendment to the 2011 Capital Improvements Budget.

To authorize the Director of Public Utilities to enter into an agreement with Resource International, Inc. for professional engineering services for the Brentnell Avenue Area Water Line Improvements Project; and to authorize a transfer and expenditure up to \$263,700.00 from the Water Works Enlargement Voted Bonds Fund; for the Division of Power and Water. (\$263,700.00)

**WHEREAS,** three technical proposals for professional engineering services for the Brentnell Avenue Area Water Line Improvements Project were received on October 7, 2011; and

**WHEREAS,** Resource International, Inc. was the firm selected to perform the design services for this project based on criteria set forth in Columbus City Codes; and

**WHEREAS,** it is necessary for this Council to authorize the City Auditor to transfer funds within the Water Works Enlargement Voted Bonds Fund; and

**WHEREAS,** it is necessary to authorize an amendment to the 2011 Capital Improvements Budget for purposes of providing sufficient funding and expenditure authority for the aforementioned project expenditure; and

**WHEREAS,** it has become necessary in the usual daily operation of the Division of Power and Water, Department of Public Utilities, to authorize the Director of Public Utilities to enter into an agreement for professional engineering services for the Brentnell Avenue Area Water Line Improvements Project, for the preservation of the public health, peace, property and safety;

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**
