Rezoning Application Z15-060

APPLICANT: SBA Towers IX, LLC; c/o Stephen V. Cheatham, Atty.; Buckley King; 600 Superior Avenue East; Suite 1400; Cleveland, OH 44114.

PROPOSED USE: Monopole telecommunications antenna.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on February 11, 2016.

CITY DEPARTMENTS' RECOMMENDATION: Approval. This site is zoned in the L-C-3, Limited Commercial District, and is an undeveloped portion of a parcel that is developed with a shopping center. The request is compatible with the adjacent commercial developments.

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested L- C-3, Limited Commercial District, is consistent with the adjacent commercial developments and with the land use recommendation of *The Far North Area Plan*; and

Property Address: 541 Lazelle Road (43081)

Property Owner: The Robert Weiler Company

Applicant: SBA Towers IX, LLC

Application Number: Z15-060

Date: 3/24/16

INTRODUCTION: Applicant SBA Towers IX, LLC seeks to rezone 541 Lazelle Road, Westerville, for those uses permitted under Chapter 3355 C-3, Limited Commercial District of the Columbus City Code. In order to exclude all other offensive uses that are permitted in the C-3, Commercial District, it is necessary that this limitation text be applied to the zoning application. The purpose of this rezoning and development is the construction of a wireless communications facility, as permitted in a C-3 district and meeting a public necessity. Because of the height restriction in the underlying L-C-3, Commercial District, Applicant SBA Towers IX, LLC respectfully requests that a new L-C-3, Commercial District, be zoned for the construction of its wireless communications facility. Applicant SBA Towers IX, LLC confirms that it intends to, and will, comply with all provisions of the Columbus City Code applicable to wireless communications facilities, as permitted in an L-C-3, Commercial District.

Applicant SBA Towers IX, LLC, in compliance with the provisions of the Columbus City Code applicable to wireless communications facilities, as permitted in an L-C-3, Commercial District, shall proceed to have its Application Number Z15-060 prosecuted in due course before the City of Columbus Department of Building and Zoning Services. Should the proposed AR-12 District which has been applied for in Application Number Z16-002 not be formally adopted and not be in force and effect before the building permit for this monopole cell tower and its associated support structures is issued, the Application Number Z15-060 shall comply with all provisions of the Columbus City Code applicable to wireless communications facilities, as permitted in an L-C-3, Commercial District.

In the event, however, that the proposed AR-12 District which has been applied for in Application Number Z16-002 is formally adopted and is in force and effect before the building permit for this monopole cell tower and its associated support structures is issued, then Applicant SBA Towers IX, LLC shall seek a setback variance, if necessary, to Section

3353.05(D) of the Columbus City Code, which mandates, among other things, that the base of monopole telecommunication antenna sites and their associated support structures be set back 200 percent of the total height of the antenna from all residentially zoned districts.

PERMITTED USES: The permitted uses shall be those permitted under C-3, Commercial District as set forth in Chapter 3355 of the Columbus City Zoning Code excepting the following uses: postal substation, private school, radio or television studio or telephone exchange together with concealed electric substation necessary for such use, assembly hall, business college, electric substation, funeral parlor, millinery, off-premise graphics, and trade school.

DEVELOPMENT STANDARDS: Except as otherwise noted, the applicable development standards of Chapter 3355, C-3, Community Scale Commercial Development of the Columbus City Code shall apply.

1. Density: Not Applicable.
2. Lot and/or Setback Commitment: See attached Location Plan.

B. Access, Loading, Parking and/or Other Traffic-Related Commitment: Not Applicable.

C. Buffering, Landscaping, Open Space and/or Screening Commitments: The antenna compound shall be screened in accordance with the Fence Detail Plan. In addition, landscaping required by Section 3353.05(D)(2) will be adhered to, and shall be depicted on the final site compliance plan.

D. Building Design and/or Interior-Exterior Treatment Commitments: See Attached Site Elevation.

E. Outdoor Display Areas and/or Other Environmental Commitments: Not Applicable.

F. Graphics and Signage Commitments: All signage and graphics shall conform to Article 15 of the City of Columbus Graphics Code as it applies to C-3, Commercial District. All signage shall be of monument style signage.

G. Miscellaneous: The development of a wireless telecommunications facility will be permitted, including a monopole tower of a height not to exceed 110 feet and associated support structures and facilities, as depicted on the Plans titled "Enlarged Site Plan- Sheet C-1," "Fence Details - Sheet C-4," and "Site Elevation - Sheet ANT-1."

The wireless telecommunications facility shall be developed in accordance with the plans noted above. The plans may be slightly adjusted to reflect engineering, topographical or other site data developed at the time that development and engineering plans are completed. Any slight adjustment to the plans shall be reviewed and may be approved by the Director of the Department of Building and Zoning Services or his or her designee upon submission of the appropriate data regarding the proposed adjustment.

SECTION 4. ~~That this ordinance shall take effect and be in force from and after the earliest period allowed by law.~~ That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or 10 days after its passage if the Mayor neither approves nor vetoes the same.
